Pasadena Police Department Driving Under the Influence (DUI) Saturation Enforcement Detail

PASADENA, CA - The Pasadena Police Department will be conducting a DUI saturation enforcement detail on Friday, January 23, 2009. This enforcement detail will be deployed in the City of Pasadena. The hours of operation will be from 8:00 pm – 2:00 am.

Funding for this program was provided by a grant from the California Office of Traffic Safety, through the National Highway Traffic Safety Administration.

“This program is an effective tool for achieving the Pasadena Police Department’s goal of reducing the number of traffic collisions or deaths resulting from drunk driving,” says Chief of Police Bernard Melekian. The funding we, and other cities like us, receive allows us to effectively run these operations and educate the public regarding driving under the influence.”
