IF SPEAKING FOR AN ORGANIZATION, NAME OF ORGANIZATION:

BRIEF OUTLINE OF MAJOR ISSUES TO BE MADE REGARDING THIS SUBJECT:

**PASADENA'S ANTIQUATED "NEW URBANISM"**

- 1) *Idea of pushing buildings toward the street and increasing density keeps being repeated throughout history.*
- 2) *The "new urbanism" concept does not work - that is why the concept doesn't stay, but only reappears cyclically when people forget.*
- 3) *"New urbanism" is being "pushed" by overpaid developers that pass themselves off as "urban planners".*

**NOTICE TO SPEAKER:** Please come to the podium, and after receiving recognition from the Mayor, state your name and address for the record. When speaking, kindly face and address the Mayor and City Council at all times.

Please limit your comments to 5 minutes.

- 4) *Many of the "new urbanism" advocates do not choose to live in what they are advocating for.*
- 6) *Land use decisions are critical as once a building is built, it becomes "part" of the city and often stays for more than 80 years.*
- 7) *Buildings, Landscape, Vistas, Cultural Use and Mobility define a city.*
