

# Agenda Report

**To:** CITY COUNCIL  
**FROM:** CITY MANAGER

**DATE:** March 11, 2002

**SUBJECT:** REJECTION OF ALL BIDS FOR PURCHASE OF THREE 2002  
ONE TON DUAL REAR WHEEL CAB & CHASSIS WITH UTILITY  
BODY TRUCKS FOR THE PASADENA WATER & POWER  
DEPARTMENT

## RECOMMENDATION

It is recommended that the City Council reject all bids to purchase three 2002 one ton dual rear wheel cab & chassis with utility body trucks for the Pasadena Water & Power Department.

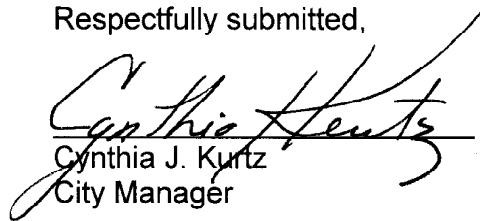

## BACKGROUND

Specifications for the purchase of three 2002 one ton dual rear wheel cab & chassis with utility body trucks for the Pasadena Water & Power Department were issued on January 31, 2002. Four responses were received and opened in the City Clerk's office on February 19, 2002. A review of all bids revealed questions as to the responsiveness to the specifications by all bidders. The Water & Power Department in conjunction with the Purchasing Division will revise the specification and reissue the new specification on a later date.

## FISCAL IMPACT

The cost of reissuing and rebidding the specifications is negligible.
