Re: Appeal From Denial of Massage License Renewal
Wei-Qing i Seamone

REQUEST TO CONTINUE HEARING DATE

Dear M r. Martinez:

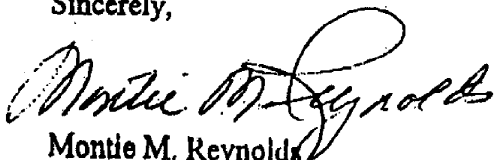

Please be advised that counsel for Ms. Seamone is currently engaged in a criminal trial in the Pomona Superior court and needs to continue the above matter to a later date.

If possible Ms. Seamone would like to postpone the hearing until the month of November. We will select a specific date prior to then. Please advise me if this will be acceptable.

Once again I am requesting that you provide me with the legal authority for your "Charter City" position and the specifics as to what you believe is on the tapes to indicate that Ms. Seamone violated any prohibited acts.

Thank you for your prompt attention to this matter.

Sincerely,

Montie M. Reynolds
Attorney at Law
