BACKGROUND:

The Capital Improvement Project for the SR 710 Mitigation Project was approved by the City Council on June 17, 2002. The SR 710 Mitigation Project includes eight individual transportation improvement projects designed to reduce congestion and delay due to the gap in the SR 710 Freeway. The California Boulevard Right Turn Lane at Raymond Avenue ("Project") is one of the eight improvement projects.

Specifically, the Project requires the widening of the north side of California Boulevard between Raymond Avenue and Arroyo Parkway to construct an exclusive westbound to northbound right turn lane. This requires the acquisition of a portion of the properties located at 524 South Raymond Avenue and 525 South Arroyo Parkway.

The City has made an offer to purchase the Subject Property, as required by Section 7267.2 of the Government Code, to the property owner of record. (Attached hereto as Exhibit "C.")

The City has given written notice by certified mail sent at least 15 days prior to the date of the hearing of its intention to adopt a Resolution of Necessity to the respective owners of the Subject Property as their names and addresses appear on the last equalized Los Angeles County assessment roll. (Attached hereto as Exhibit "D.") The notice advised the respective owners of record that they shall have the right to appear and be heard on the matters cited in Section 1240.030 of the Code of Civil Procedure, and further advised that the failure of the owners of record to file a written request to appear and be heard within 15 days of the mailing of said notice will result, by law, in a waiver of their right to be heard.

The City published a Public Notice in the Pasadena Star News on July 2, 2004, allowing 15 days prior notice from the start of publication to the date of the hearing of its

intention to adopt a Resolution of Necessity to acquire the Subject Property by eminent domain, and authorizing the condemnation of said parcel. The Public Notice advised that interested parties shall have the right to appear and be heard on the matters cited in Section 1240.030 of the Code of Civil Procedure, and further advised that a written request to appear and be heard must be filed within 15 days of the publication of said notice.

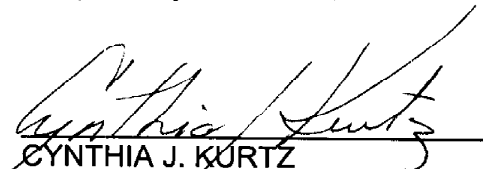

A public hearing will be held before the City Council tonight considering the adoption of a Resolution of Necessity authorizing the condemnation of the Subject Property to complete one of the eight components of the SR 710 Mitigation Project.

The City has retained the law offices of Demetriou, Del Guercio, Springer & Francis, LLP to file the eminent domain action following the adoption of the Resolution of Necessity.

FISCAL IMPACT:

Sufficient funding is available for the acquisition of the Subject Property in Budget Account No. 73203 California Boulevard Right Turn Lane at Raymond Avenue.

Respectfully Submitted,
