

Victor Gordo

Letter of Resignation
David Hauser

Mr. Gordo, thank you for the opportunity you afforded me to serve the City of Pasadena in the honorable position of Human Relations Commissioner. Because of new and changed priorities I must resign my position. I want to truly thank you for the opportunity to serve the city; it has been personally beneficial and enjoyable. Not only have I served the City of Pasadena, but in doing so I have worked with a great team. It was a privilege to work with the entire commissioner and I will miss them. It was especially enjoyable working with Nat on such events as Peace Through Music. I would again like to Thank: Teddy Choi, Wendeline Donahue, Ken Groce, Stephen Macala, Meta Mccullough, Inman Moore, Nat Nehdar, Nancy Sullivan, and wonderful Sonya Amos from human resourses.
