Deadrick; Scott Phelps; Steve Lizardo **Subject:** Turkey Tussle - Expense Allocation

The following is a message from Mayor Bill Bogaard:

Dear Pete:

I have now had the opportunity to obtain information about the City's approach for funding this year's Turkey Tussle. It is something of a complicated story.

During the budget process this spring, the City Manager's proposal was to fund this event at the same level as in 2005, which was the highest expense ever, at \$39,000. The Council, with information that PUSD receives about \$10,000 in revenues from ticket sales for the event, approved an allocation of \$29,000 with the expectation that revenues from ticket sales received by PUSD would be applied to the cost of the event.

Earlier this year, Darryl Dunn recommended several dates to PUSD for the event, but the date selected was different from the dates listed, and occurs two days before a major UCLA football game on Saturday that will be televised. The field preparation requirements for a UCLA football game are demanding and expensive.

Daryl Dunn's estimate of the costs of the Turkey Tussle, with the special costs involved for the UCLA game, is now approximately \$50,000. Apparently, it would not be that high if another date were chosen, and the expenses could be less depending on weather and other circumstances.

In any event, this is where the City finds itself—with a \$29,000 budget for the event—and this is the background on the situation you inquired about.

It is my impression that an agreement reflecting these terms and conditions was sent to PUSD earlier today. My hope is that this will be workable for the District, that our information about ticket revenues was correct, and that there are no special expenses resulting from the weather.

Please let me know if you have any questions.

BILL BOGAARD Mayor

RECEIVED

Darryl Dunn General Manager

October 30, 2006

George McKenna Pasadena Unified School District 351 South Hudson Avenue Pasadena, CA 91109

# Dear George:

The Rose Bowl is looking forward to hosting the Turkey Tussle, scheduled to be played on November 9, 2006.

# Attached, please find the following:

- 1. Term Sheet These are the deal points for the event, which must be signed by the Rose Bowl Operating Company, City of Pasadena and Pasadena Unified School District
- 2. General Terms & Conditions This is a list of conditions for the event, including insurance requisites that PUSD must provide
- 3. Estimate of Expenses This is an estimate of the expenses for the event

It is important to recognize that the City of Pasadena has agreed to pay the first \$29,000 worth of expenses from this event. All expenses related to the event above this amount are the sole responsibility of PUSD. It should be noted that we will provide you with a final bill a few weeks after the event, which will be due 30 days after you receive the invoice from the Rose Bowl. The total estimate for the expenses is \$50,042. We will do all we can to reduce these costs if possible.

As we discussed previously on several occasions, the Rose Bowl would prefer in the future that the Turkey Tussle not occur the week of a UCLA football game. This creates significant difficulties with having the field in a first class condition for the UCLA game two days later, which is a requirement of our lease with UCLA. If we don't comply with this condition, we will be in breach of our contract with UCLA. As we did this past year, we will provide you several open weekends that PUSD can select so we will not once again have this conflict situation. It should be noted that having the Turkey Tussle two days prior to the UCLA game creates significant additional costs for the event. The RBOC is preparing to have additional staff for both field preparation and field repair due to the proximity of the games. Please also note within the expenses, that there may be additional costs due to field damage, which will not be known until after the game, as

well as potential labor costs to remove field tarps if there is the threat of in-climate weather. Finally having a night game causes us to utilize all the stadium lighting. This cost is estimated to be \$4,800 for the event. If the Turkey Tussle could be a day game in the future, that cost would also be eliminated.

Please contact me if you have any questions.

Sincerely,

Darryl Dunn General Manager

cc: Cynthia Kurtz, City Manager

Should the Event proceed on the date reserved, then the deposit shall be a credit, without interest, against costs and charges owed to RBOC by Licensee arising out of the Event. If the date is canceled, the amount of the deposit indicated as "non-refundable date deposit" shall be retained by RBOC as liquidated damages on the following basis: Cancellation of the Event will result in damages being sustained by RBOC; such damages are, and will continue to be, impracticable and extremely difficult to determine. Execution of this Agreement shall constitute agreement by Licensee and RBOC that the deposit amounts set forth in the Agreement are the minimum value of actual damage caused by RBOC's foregoing other events and other business opportunity by reserving the specified dates, and for resources and good will expended in seeking approvals and community support for the Event and in work toward planning for the Event.
