Subject: Historic Highlands

I have not had a chance to express my approval of the proposed Historic Highlands Neighborhood District. My family moved into our house at 1257 Topeka Street in 1934. I attended Longfellow, Eliot and Pasadena Jr College. My parents live there the rest of their lives. I was there much of the time in later years taking care of them until my fathers death in 2001 when I moved back into the house. We have enjoyed the unofficial historic highlands association and I would like to support the proposed Historic Highlands Landmark District
