**RE: National Register of Historic Places Nomination for
Royal Laundry/Milus Textile Services**

Dear Mayor:

Pursuant to the Certified Local Government Agreement between the Office of Historic Preservation (OHP) and your governmental entity, we are providing you as the chief elected local official with a sixty (60) day review and comment period before the State Historical Resources Commission (SHRC) takes action on the above stated National Register of Historic Places (National Register) nomination at its next meeting. Details on the meeting are enclosed.

Please review the enclosed nomination and send your comments on the enclosed *Review and Comment Report* form (Report) to OHP. Pursuant to the National Historic Preservation Act of 1966, as amended, we have also provided a copy of the nomination and Report form to your local preservation commission. Your local preservation commission shall complete the Report form noting whether or not the nominated property, in its opinion, meets the criteria for the National Register and forward their Report to you. Please transmit your local preservation commission's completed Report and your Report to the State Historic Preservation Officer. So that the SHRC may have adequate time to consider them, it is requested, but not required, that you provide written comments fifteen (15) days before the SHRC's meeting. If you have questions or require further information, please contact the Registration Unit at (916) 653-6624.

As of January 1, 1993, all National Register properties are automatically included in the California Register of Historical Resources and afforded consideration in accordance with state and local environmental review procedures.

Supplemental information on the National Register is available on our website at the following address: www.ohp.parks.ca.gov.

Thank you for your assistance in this program.

Sincerely,

Milford Wayne Donaldson, FAIA
State Historic Preservation Officer
