Dear Councilmember Streator:

My tenure as a Commissioner on the Northwest Commission in District 1 has been the most challenging and rewarding period of my career, and I regret having to make a difficult announcement.

With my recent marriage six months ago, my wife and I have made the decision to relocate to Houston, Texas.

As a result, I've recently accepted employment in Houston and must inform you that effective immediately, I will be resigning from the Northwest Commission.

You, Desi, my fellow Commissioners and the staff at the Northwest Programs Office have taught me a lot; even more, I've come to regard those I work most closely with as a second family. I will truly be sorry to go.

1/11/2007

1/22/2007  
7.B.1.

I hope you can understand my decision to leave the Northwest Commission.

Sincerely,

Lance Wyndon  
Northwest Commissioner  
City of Pasadena, District 1
