RE: Resolution in Support of Tom Bradley Commemorative Stamp

At the September meeting of the League Board of Directors, a unanimous vote was taken to support the growing efforts of public and private organizations and individuals around California and the nation that are urging the United States Postal Service to issue a stamp commemorating the achievements and legacy of the late Tom Bradley, former Mayor of Los Angeles.

The Board also agreed to develop and distribute a sample/model resolution that California's cities could use to take action in support of the issuance of a commemorative stamp. A copy of that resolution is attached. Please feel free to use it as a guide in constructing a resolution for your city that supports this effort.

Tom Bradley contributed considerably to the cities of California both in his capacity as Mayor of Los Angeles and President of the League of California Cities in 1979-80. The League Board of Directors asks your city to join in this effort.

Thank you for your consideration.
