## **BACKGROUND:**

### **Comprehensive Annual Financial Report**

Section 912 of the City Charter requires that an independent audit of the City's records, books, and inventories be conducted annually and a report issued thereon. In the attached audited Comprehensive Annual Financial Report for the year ending June 30, 2007, the City received an unqualified opinion, which means that the statements are free of material misstatement and are presented in conformity with generally accepted accounting principles.

### **Single Audit Reports**

The Single Audit Act of 1984 and Single Audit Act Amendments of 1996 establish uniform audit requirements for local governments expending federal awards greater than \$300,000 a year. The audit is on an "entity-wide" basis and imposes additional requirements in relation to testing of, and reporting on, internal control and compliance with laws and regulations. Attached, please find the Single Audit Reports for the year ended June 30, 2007.

### **Pasadena Community Development Commission Financial Statements**

In accordance with the California Health and Safety Code Section 33080.1, a redevelopment agency shall present to its legislative body an annual independent financial audit report for the previous fiscal year. The report should present the results of the operations and financial position of the agency, including all financial activities with moneys required to be held in a separate Low and Moderate Income Housing Fund pursuant to Section 33334.3. Attached, please find the Pasadena Community Development Commission Annual Financial Report for the year ended June 30, 2007. The bound report also includes the Report of Independent Auditors On State Compliance and the Report On Compliance And On Internal Control Over Financial Reporting Based On An Audit Of Financial Statements Performed in Accordance With Government Auditing Standards.

### **Management Letter**

The management letter provides a general overview of the financial report and identifies certain matters involving the internal control structure and other operational matters including comments and recommendations for improvement. These comments and recommendations have been reviewed with the appropriate members of City staff and responses provided.

### Component Unit Financial Statements

Financial statements for Pasadena Center Operating Company, Rose Bowl Operating Company and Pasadena Fire and Police Retirement System are included as they are component units of the City. Component units are legally separate entities, in substance, but are part of the government's operations. Each of the City's component units received an unqualified opinion.

### Air Quality Improvement Fund Financial and Compliance Report

Assembly Bill 2766 (AB2766) authorized the South Coast Air Quality Management District (SCAQMD) to impose an annual vehicle registration fee and to distribute a portion of those collected revenues to all local jurisdictions within the South Coast Air Basin. These revenues are to be used solely to reduce air pollution from motor vehicles by implementing new programs and studies necessary for the implementation of the California Clean Air Act. The City's Air Quality Improvement Fund accounts for the use of these funds received from SCAQMD.

### Independent Accountant's Report on Agreed-Upon Procedures Applied to Appropriation Limit Worksheets

Section 1.5 of Article XIII B of the California Constitution requires that the City follow the procedures agreed upon by the State of California and the League of California Cities (as presented in the League publication entitled Article XIII B Appropriations Limitation Uniform Guidelines) to determine the annual appropriations limit.

### Independent Accountant's Report on Agreed-Upon Procedures Applied to Employee Deductions for the Internal Revenue Code Section 457 Deferred Compensation Program

At the request of the City, the auditors performed certain procedures as enumerated in the report to verify the accuracy and timely posting of contributions to the deferred compensation program provided by Hartford.

**FISCAL IMPACT**

There is no fiscal impact as a result of this report. The annual financial report set forth the City's financial position as it stood on June 30, 2007.
