Ann-Marie Villicana, President
Pasadena Center Operating Company
300 E. Green Street
Pasadena, CA 91101-2399

Dear Ms. Villacana

After much thought, I am relinquishing my appointment on the Board of Directors of the Pasadena Center Operating Company. In service to our community, I would have preferred to fulfill the full term of my appointment, but I realized at this point that someone else would do a better job. I found my plate to be too full and I need to re-group and focus more narrowly.

I have informed Councilman Chris Holden and other supporters about my decision. Special thanks to Council Persons Joyce Streator, Chris Holden, and the City Council for their trust.

I want to thank all of the members of the Board for their engagement of the issues, and staff, both past and present for their hard work and responsiveness. I also want to thank you for your strong and gracious leadership.

Sincerely

Harden A. Carter
