

Agenda Report

TO: CITY COUNCIL

DATE: July 16, 2007

FROM: CYNTHIA J. KURTZ, CITY MANAGER

SUBJECT: AUTHORIZATION TO ENTER INTO A PURCHASE ORDER CONTRACT WITH SANOFI PASTEUR TO ACQUIRE VACCINES FOR TRAVEL IMMUNIZATIONS

RECOMMENDATION:

It is recommended that the City Council authorize the issuance of a Purchase Order Contract to Sanofi Pasteur for the period July 1, 2007 through June 30, 2008 not to exceed \$111,500 for the purchase of travel vaccines.

Competitive Bidding is not required pursuant to City Charter Section 1002(C), contracts for labor, materials, supplies or services available from only one vaccine manufacturer.

BACKGROUND:

The Public Health Department offers travel immunizations to protect people who travel abroad from infectious diseases prevalent in countries outside of the United States. Sanofi Pasteur pharmaceutical company is the only producer and distributor of Diphtheria Tetanus, Yellow Fever, Typhim VI, Meningococcal, Japanese Encephalitis, Pertussis/Tetanus/Diphtheria, Purified Protein Derivative, and Polio vaccines and is also the distributor for Rabies vaccine.

The Pasadena Public Health Department (PPHD) is one of the few providers of travel immunizations in the community, and offers travel vaccines at a lower cost than private providers. Customers pay fees to cover the costs of the various immunizations, ranging in price from \$15 - \$200 for the FY 2007. During FY 2007, over 5,515 immunizations were administered to 4,450 clients. Through the Travel Clinic, staff continues its outreach campaign promoting the availability of travel immunization services at the Health Department, which in turn, has increased the demand. Due to high demand, the travel clinic has expanded its operating hours to seven walk-in sessions each week.

FISCAL IMPACT:

Estimated revenues and appropriations for this program have been included in the Public Health Department's FY 2008 Disease Prevention and Control Division budget account # 563000.

Respectfully submitted,

CYNTHIA J. KURTZ
City Manager
