Dear Mayor Bogaard,

Thank you for your speedy reply to my e-mail addressing my situation.

Unfortunately, I am going to have to formally resign from my position on the Human Relations Commission. It pains me to do this but the rules clearly state that if one does not live in Pasadena, one cannot serve on the commission. Even though I was forced out of Pasadena due to circumstances beyond my control, I am working hard each day to return and serve the citizens well.

Thank you for giving me this opportunity and I apologize to anyone I've let down.

Sincerely,

Aaron Proctor
