Subject: FW: City Commission District 6

Steve:

Since we last spoke, my current work schedule has demanded more of my time and I will not be able to sit on the CDC commission for a second term. Please see my email attached below.

I will keep in mind the other city commissions, that Takako recommended, since the timing of the meetings may be more conducive to my schedule.

I am continuing to stay involved in community events and issues as much as possible, and look forward to working with you again in the future.

Sincerely,
Lainie Miller
