Subject: Resignation

Steve,

I just wanted to let you know that my family and I have just moved to Redlands for job reasons -- I am the main labor and employment legal adviser to the County of San Bernardino. I must, therefore, tender my resignation from membership on the Human Relations Commission. I chaired the March meeting but, since I am no longer a resident I assume my resignation must be effective now. It has been a very good experience and I wish to thank you very much for recommending my appointment.

My wife and I look forward to visiting Pasadena. We will rent out our condominium in Pasadena so, at the very minimum, we will from time to time have business reasons to visit. We would like to remain involved, albeit at a much lower level, in Pasadena affairs.
