Pasadena City Council

Re: Recreation and Parks Commission

Ladies and Gentlemen:

I resign from the Recreation and Parks Commission. By doing so, I also relinquish my positions on the Hahamongna Watershed Park Advisory Committee and Urban Forest Advisory Committee.

Thank you for the opportunity to sit on these bodies. During the past several years, I have been honored to serve with a talented, energetic, thoughtful group of people and staff who have put much vision and work into Pasadena's parks and recreation programs, which have and will produce great benefits to our City.

Sincerely,

Charles McKenney
