

In the event that the Rating (as defined below) is withdrawn, suspended or otherwise unavailable from any Rating Agency, the Commitment Fee Rate shall be increased by 1.25% per annum from the Commitment Fee Rate in effect immediately prior thereto. Upon the occurrence and continuance of an Event of Default the Commitment Fee Rate shall be increased by 1.25% per annum from the Commitment Fee Rate in effect on the date of the occurrence of such event. The term “Rating” as used above shall mean the lowest unenhanced long-term rating assigned to any long-term Debt of the City that is on a parity with, or senior to, the Certificates (without regard to bond insurance or any other form of credit enhancement) assigned by any of S&P or Fitch. Any change in the Commitment Fee Rate resulting from a change in the Rating shall be and become effective as of and on the date of the announcement of the change in the Rating. References to the Rating above is a reference to the rating category of the Rating Agencies as presently determined by the respect Rating Agency and in the event of adoption of any new or changed rating system by any Rating Agency, the Ratings from the applicable Rating Agency shall be deemed to refer to the rating category under the new rating system which most closely approximates the applicable rating category as currently in effect. The Commitment Fee shall accrue from and including the Date of Issuance to and including the Termination Date. The Commitment Fee shall be payable in arrears on the first Payment Date that occurs after the Date of Issuance, each Payment Date thereafter and the Termination Date. The Commitment Fee shall be calculated on the basis of a year consisting of 360 days and actual days elapsed. All amounts paid pursuant to this Section 3.2 shall be non-refundable and shall be paid in immediately available funds.

In the event the City terminates the Letter of Credit, whether by replacement or otherwise, prior to the second anniversary of the Date of Issuance, the City shall pay or cause to be paid to the Bank a non-refundable termination fee (the “Termination Fee”) equal to the Commitment Fee that would have been payable to the Bank pursuant to this Section 3.2 but for the termination of the Letter of Credit for the period from and including the date on which the Letter of Credit is terminated to and including the second anniversary of the Date of Issuance assuming (i) a rate per annum equal to the rate per annum at which the Commitment Fee is calculated immediately prior to the termination of the Letter of Credit and (ii) an Adjusted Letter of Credit Amount equal to the Adjusted Letter of Credit Amount in effect immediately prior to the termination of the Letter of Credit. If the Letter of Credit is terminated on any date after the first anniversary of the Date of Issuance and either (x) the Bank’s short-term debt rating is reduced to a rating below “P-1” by Moody’s or below “A-1” by S&P or (y) the Bank makes a claim for additional compensation pursuant to Section 3.3, then the City shall not be required to pay a Termination Fee in respect of the second year of the LOC Period.

### Section 3.3 Increased Costs and Reduced Return.

(a) If the Bank shall have determined that, after the date hereof, the adoption of any applicable law, rule, regulation, accounting principle or guideline regarding capital adequacy, or any change therein, or any change in the interpretation or administration thereof by any Governmental Authority, central bank, comparable agency or accounting body charged with

the interpretation or administration thereof, including, without limitation, any Superintendent or Commissioner of Banking, the Board of Governors of the Federal Reserve Bank or the Federal Deposit Insurance Corporation, or compliance by the Bank with any request or directive regarding capital adequacy (whether or not having the force of law) of any such Governmental Authority, central bank, comparable agency or accounting body, has or would have the effect of reducing the rate of return on the capital of the Bank (or its Parent) relating to the Bank's obligations hereunder or under the Letter of Credit to a level below that which the Bank (or its Parent) would have achieved but for such adoption, change or compliance (taking into consideration the Bank's policies with respect to capital adequacy), then from time to time, within 30 days after written demand by the Bank, the City shall pay to the Bank (or its Parent), such additional amount or amounts as will compensate the Bank (or its Parent) for such reduction in the rate of return on the capital of the Bank (or its Parent) relating to the Bank's obligations hereunder or under the Letter of Credit. The agreements in this subsection shall survive the termination of the Letter of Credit and repayment of all of the Obligations.

(b) If, after the date hereof, the adoption of any applicable law, rule, regulation, accounting principle or guideline, or any change therein, or any change in the interpretation or administration thereof by any Governmental Authority, central bank, comparable agency or accounting body charged with the interpretation or administration thereof or compliance by the Bank with any request or directive (whether or not having the force of law) of any such Governmental Authority, central bank, comparable agency or accounting body:

(i) Shall subject the Bank to any tax, duty, assessment or other charge with respect to the Letter of Credit or the commitment of the Bank to make Liquidity Advances and/or Term Loans, or shall change the basis of taxation of payments to the Bank of reimbursements of Drawings and payments of Liquidity Advances and/or Term Loans or in respect of any other amounts due under this Agreement (except for changes in the rate of tax on the overall net income of the Bank); or

(ii) Shall impose, modify or deem applicable any reserve, special deposit or similar requirement against assets of, deposits with or for the account of, or credit extended by, the Bank or shall impose on the Bank or on the United States market for letters of credit any other condition affecting its obligation to issue or maintain the Letter of Credit or the Bank's commitment to make Liquidity Advances and/or Term Loans or in respect of Liquidity Advances and/or Term Loans made by the Bank;

and the result of any of the foregoing is to increase the cost to the Bank of making or maintaining the Letter of Credit or the Bank's commitment to make Liquidity Advances and/or Term Loans or Liquidity Advances or Term Loans made by the Bank or to reduce the amount of any sum received or receivable by the Bank under this Agreement or the Letter of Credit, within 30 days after written demand by the Bank, the City agrees to pay or cause to be paid to the Bank such additional amount or amounts as will compensate the Bank for such increased cost or reduction. The agreements in this subsection shall survive the termination of the Letter of Credit and repayment of all of the Obligations.

(c) The Bank and each Participant (if any) will promptly notify the City in writing of any event of which it has knowledge, occurring after the date hereof, which will entitle

the Bank or such Participant to compensation pursuant to this Section. The failure of the Bank or such Participant to so notify the City shall in no manner release the City from its obligations under this Section 3.3. Each demand for compensation pursuant to this Section 3.3 shall be accompanied by a certificate of the Bank or such Participant in reasonable detail setting forth the computation of such compensation (including the reason therefor), which certificate shall be conclusive, absent manifest error, as against all other Persons, including the City and the Authority. In determining any compensation pursuant to this Section, the Bank or such Participant may use reasonable averaging and attribution methods, reasonable estimates, assumptions, allocations and the like that the Bank or such Participant in good faith determines to be appropriate.

Section 3.4 Overdue Payments; Default Pricing; Excess Interest.

(a) Overdue principal and overdue interest in respect of each Drawing, each Liquidity Advance, each Term Loan and any other overdue amount payable by the City hereunder shall bear interest at a per annum rate equal to the Default Rate. During the continuance of an Event of Default, each Drawing, each Liquidity Advance, each Term Loan and other any other amount payable by the City hereunder shall bear interest at a rate per annum equal to the Default Rate.

(b) Interest not paid when due pursuant to Section 3.4(a) above, shall, to the extent permitted by law, be compounded on a monthly basis and added to principal.

(c) If the rate of interest payable hereunder shall exceed the Maximum Rate for any period for which interest is payable, then, subject to Section 2.4(d), (i) interest at the Maximum Rate shall be due and payable with respect to such interest period and (ii) interest at the rate equal to the difference between (A) the rate of interest calculated in accordance with the terms hereof and (B) the Maximum Rate (the "Excess Interest"), shall be deferred until such date as the rate of interest calculated in accordance with the terms hereof ceases to exceed the Maximum Rate, at which time the City shall pay to the Bank, with respect to amounts then payable to the Bank that are required to accrue interest hereunder, such portion of the deferred Excess Interest as will cause the rate of interest then paid to the Bank to equal the Maximum Rate, which payments of deferred Excess Interest shall continue to apply to such unpaid amounts hereunder until all deferred Excess Interest is fully paid to the Bank. Upon the termination of the Letter of Credit and this Agreement, in consideration for the limitation of the rate of interest otherwise payable hereunder, the City shall pay to the Bank a fee equal to the amount of all unpaid deferred Excess Interest.

Section 3.5 Payments.

(a) Method and Place of Payment. Except as otherwise specifically provided herein, all amounts payable under this Agreement shall be made to the Bank not later than 1:00 p.m. Los Angeles time on the date when due and shall be made in Dollars in immediately available funds. Whenever any payment to be made hereunder shall be stated to be due on a day which is not a Business Day, the due date thereof shall be extended to the next succeeding Business Day and, with respect to payments of principal, interest shall be payable at the applicable rate during such extension. Amounts received later than 1:00 p.m. Los Angeles time

on a Business Day but before the Bank's close of business on such Business Day shall be deemed received on or before 1:00 p.m. Los Angeles time on the next Business Day.

(b) Net Payments. All payments made by the City hereunder shall be made without setoff, counterclaim or other defense. All such payments will be made free and clear of, and without deduction or withholding for, any present or future taxes, levies, imposts, duties, fees, assessments or other charges of whatever nature now or hereafter imposed by any jurisdiction or by any political subdivision or taxing authority thereof or therein (but excluding, except as provided below, any tax imposed on or measured by the overall net income of the Bank pursuant to the laws of the jurisdiction (or any political subdivision or taxing authority thereof or therein) under which the Bank is organized) and all interest, penalties or similar liabilities with respect thereto (collectively, "Taxes"). If the City shall be required by any law, rule or regulation to deduct any Taxes from or in respect of any sum payable under this Agreement or any Related Document to the Bank, (i) the sum payable shall be increased as necessary so that after making all required deductions (including deductions applicable to additional sums payable under this Section), the Bank receives an amount equal to the sum it would have received had no such deductions been made, (ii) the City shall make such deductions, (iii) the City shall pay the full amount deducted to the relevant taxation authority or other authority in accordance with applicable laws, rules and regulations and (iv) within 45 days after the date of such payment, the City shall furnish to the Bank the original or a certified copy of a receipt evidencing payment thereof. The City will to the maximum extent permitted by applicable law indemnify and hold harmless the Bank, and reimburse the Bank upon its written request, for the amount of any Taxes so levied or imposed and paid by the Bank. The agreements in this subsection shall survive the termination of the Letter of Credit and repayment of all of the Obligations.

(c) The existence of any claim, setoff, defense or other rights that the City may have at any time against the Trustee, any beneficiary or transferee of the Letter of Credit (or any Person for whom the Trustee, any such beneficiary or any such transferee may be acting), the Bank or any other Person, whether in connection with this Agreement, the Related Documents or any unrelated transaction;

(d) Any breach of contract or other dispute between the City and the Trustee, any beneficiary or transferee of the Letter of Credit (or any Person for whom the Trustee, any such beneficiary or any such transferee may be acting), any Owner, the Bank or any other Person;

(e) Any demand, statement or any other document presented under the Letter of Credit or hereunder proving to have been forged, fraudulent, invalid or insufficient in any respect or any statement therein being untrue or inaccurate in any respect whatsoever;

(f) Payment by the Bank under the Letter of Credit against presentation of a draft or certificate which does not comply strictly with the terms of the Letter of Credit;

(g) Any non-application or misapplication by the Trustee, any paying agent or the Tender Agent or otherwise of the proceeds of any Drawing; or

(h) The failure by the Bank to honor any Drawing under the Letter of Credit or to make any payment demanded under the Letter of Credit on the grounds that the demand for such payment does not conform strictly to the terms and conditions of the Letter of Credit.

#### Section 4.2 Indemnification.

(a) To the maximum extent permitted by applicable law, the City agrees to indemnify, save and hold harmless each Bank-Related Person from and against: (i) any and all claims, demands, actions or causes of action that (x) are asserted against any Bank-Related Person by any Person relating directly or indirectly to a claim, demand, action or cause of action that such Person asserts or may assert against the City or any of its elected officials, officers or employees or any plant, property or equipment of the City; and/or (y) may at any time (including at any time following repayment of the Obligations) be asserted or imposed against any Bank-Related Person arising out of or relating to this Agreement or any Related Agreement, the use or contemplated use of the proceeds of any Drawing, any Liquidity Advance or any Term Loan, or the relationship of City and the Bank under this Agreement or any Related Document; (ii) any investigative, administrative or judicial proceeding by any Governmental Authority arising out of or related to a claim, demand, action or cause of action described in subsection (i) above; and (iii) any and all liabilities (including liabilities under indemnities), losses, costs or expenses (including attorney costs) that any Bank-Related Person suffers or incurs as a result of the assertion of any foregoing claim, demand, action, cause of action or proceeding, or as a result of the preparation of any defense in connection with any foregoing claim, demand, action, cause of action or proceeding, in all cases, and whether or not a Bank-Related Person is a party to such claim, demand, action, cause of action or proceeding; provided that no Bank-Related Person shall be entitled to indemnification for any claim caused by its own gross negligence or willful misconduct or for any loss asserted against it by another Bank-Related Person. The agreements in this subsection shall survive the termination of the Letter of Credit and repayment of all of the Obligations.

(b) To the maximum extent permitted by applicable law, the City shall also indemnify and hold harmless the Bank from any transfer taxes, documentary taxes, assessments or charges made by any Governmental Authority by reason of the execution and delivery of this

Agreement and the Related Documents or the issuance of the Letter of Credit. The agreements in this subsection shall survive the termination of the Letter of Credit and repayment of all of the Obligations.

Section 4.3 Obligations and Liability of the Bank.

(b) The City shall not be deemed to have waived or released any of its rights or remedies (whether specified in or arising under this Agreement or otherwise available to it by law or agreement) unless the Bank shall have signed a written waiver or release. Delay or failure to act on the Bank's part shall not constitute a waiver of or otherwise preclude enforcement of any of their rights and remedies. All of the Bank's rights and remedies shall be cumulative and may be exercised separately or concurrently. The Bank need not resort to any particular right or remedy before exercising or enforcing any other, and the Bank's resort to any right or remedy shall not preclude the exercise or enforcement of any other right or remedy.

(c) The City assumes all risks of the acts or omissions of the Trustee, any transferee of the Letter of Credit, the Tender Agent and the Remarketing Agent with respect to its use of the Letter of Credit and the application of proceeds drawn thereunder; provided that this assumption with respect to the Bank is not intended to, and shall not, preclude the City's pursuing such rights and remedies as it may have against the Trustee, such transferee, the Tender Agent or the Remarketing Agent at law or under any other agreement. Neither the Bank nor any of its officers, directors, employees or agents shall be liable or responsible for:

(i) The use that may be made of the Letter of Credit or for any acts or omissions of the Trustee or any transferee of the Letter of Credit in connection therewith;

(ii) The form, validity, sufficiency, accuracy or genuineness of documents, or of any endorsements thereon, even if such documents should prove to be in any or all respects invalid, insufficient, inaccurate, fraudulent or forged, so long as the Bank was not grossly negligent or guilty of willful misconduct as determined by a court of competent jurisdiction;

(iii) Payment by the Bank against presentation of documents that do not comply strictly with the terms of the Letter of Credit, including failure of any documents to bear any reference or adequate reference to the Letter of Credit;

(iv) The validity or sufficiency of any instrument transferring or assigning or purporting to transfer or assign the Letter of Credit or the rights or benefits thereunder or proceeds thereof, in whole or in part, which may prove to be invalid or ineffective for any reason;

provided that, notwithstanding anything in the preceding clauses (i) through (vii) to the contrary, the City shall have a claim against the Bank, and the Bank shall be liable to the City, to the extent, but only to the extent, of any direct, as opposed to consequential, damages suffered by the City that the City proves were caused by (A) the Bank's failure to pay under the Letter of Credit after the presentation to it by the Trustee of a sight draft and certificate strictly complying with the terms and conditions of the Letter of Credit or (B) the Bank's willful or grossly negligent payment under the Letter of Credit as determined by a court of competent jurisdiction.

In furtherance and not in limitation of the foregoing, the Bank may accept documents that appear on their face to be in order, without responsibility for further investigation, regardless of any notice or information to the contrary.

The City represents and warrants as of the date hereof as follows:

Section 5.1 Existence and Power. The City is a municipal corporation and chartered city duly organized and existing under and by virtue of the laws of the State of California and the Charter, and is possessed of full powers to own and lease (as lessor and lessee) real and personal property, to conduct its business as presently conducted and to enter into contracts such as this Agreement and the City Related Documents, which powers have been validly exercised in connection with the transactions effected by this Agreement and the City Related Documents.

Section 5.2 Authorization; Contravention; Approvals. The execution, delivery and performance by the City of this Agreement and the City Related Documents and the other documents contemplated hereby and thereby are within the powers of City, have been duly authorized by all necessary actions and (i) do not contravene the Charter or the City Administrative Code or any law, rule, regulation, order, writ, judgment, injunction, decree, determination or award or any indenture, agreement, lease, instrument or other contractual restriction binding on or affecting the City and (ii) except as provided in or contemplated by this Agreement and the Related Documents, do not result in or require the creation of any Lien, security interest or other charge or encumbrance upon or with respect to any asset of the City. The City is not in violation of or in default in any respect under any law, rule, regulation, order, writ, judgment, injunction, decree, determination or award or any indenture, agreement, lease, instrument or other contractual restriction or the City Related Documents. No Default or Event of Default has occurred and is continuing. All orders, consents and other authorizations or approvals of all Governmental Authorities and all other Persons have been obtained (and no additional authorization, approval or other action by, and no notice to or filing or registration with, any Governmental Authority is required to be made or obtained by the City) for the due execution, delivery and performance by the City of this Agreement and the City Related Documents.

Section 5.3 Enforceability. This Agreement and the City Related Documents, and other documents contemplated hereby and thereby to which the City is a party or by which it is bound are legally valid and binding obligations of the City enforceable against the City in accordance with their respective terms, except as such enforceability may be limited by bankruptcy, insolvency, reorganization or similar laws affecting creditors' rights generally and by general principles of equity.

Section 5.4 Litigation. Except as disclosed in the Official Statement, there are no actions, suits, proceedings, inquiries or investigations, at law or in equity, before any court, Governmental Authority or arbitrator pending or, to the best knowledge of the City, threatened, against or directly involving the City, affecting the existence of the City, the title of any officials to their respective offices, the Leased Property or affecting or seeking to prohibit, restrain or enjoin the execution or delivery of this Agreement or any Related Document, or in any way contesting or affecting the validity or enforceability of the Certificates, this Agreement, any Related Document or contesting the tax-exempt status of the Certificates, or contesting in any way the completeness or accuracy of the Official Statement or any supplements or amendments thereto, or contesting the powers of the City or any authority for the issuance of the Certificates, the execution and delivery of this Agreement or the City Related Documents, nor, to the best knowledge of the City, is there any basis therefor, which, if determined adversely to the City (i) would adversely affect the validity or enforceability of, or the authority or ability of the City to perform its obligations under, this Agreement or any City Related Documents, (ii) would, in the reasonable opinion of the City, have a material adverse effect on the business, financial position or results of operations of the City or (iii) would adversely affect the exclusion of interest on the Certificates from gross income for Federal income tax purposes or the exemption of such interest from State of California personal income taxes.

Section 5.5 Financial Information.

The City does not know of any basis for the assertion against the City of any liability or obligation of any nature whatsoever that is not fully reflected in the financial statements included in the 2007 CAFR which, in the aggregate, could be material to the City.

Section 5.6 Disclosure. No written information furnished by the City to the Bank in connection with this Agreement (except information which has been superseded by subsequent information provided by the City) includes any untrue statement of a material fact or omits to state a material fact necessary in order to make the statements made in such information and all other written information delivered by the City, when taken together and in light of the circumstances in which they were made, not misleading in any material respect. Except for information contained in the Official Statement under the subcaptions "Letter of Credit", "Reimbursement Agreement" and "The Bank", as to which no representation is made, the Official Statement is, and any supplement or amendment to either shall be, accurate in all materials respects for the purpose for which its use is, was or shall be, authorized; and except for information contained in the Official Statement under the previously mentioned captions, as to which no representation is made, the Official Statement does not, and any such supplement or amendment will not, contain any untrue statement of a material fact or omit to state any material fact necessary to make the statements made therein, in the light of the circumstances under which they are or were made, not misleading.

Section 5.7 Environmental Matters. The City has not received notice to the effect that its operations are not in compliance with any of the requirements of applicable federal, state or local environmental, health and safety statutes and regulations or are the subject of any governmental investigation evaluating whether any remedial action is needed to respond to a release of any toxic or hazardous waste or substance into the environment, in each case relating to the Leased Property which non-compliance or remedial action could have a material adverse effect on the assets, financial condition, Properties, business or operations of the City or its ability to perform its obligations under the City Related Documents.

Section 5.8 Plans. The City currently has a Plan which is in compliance in all respects with the requirements of the applicable laws of the State of California, including without limitation the obligation to pay contributions on behalf of its employees in accordance therewith, and the City has no Plan which is subject to the requirements of ERISA. No condition exists or event or transaction has occurred with respect to any Plan which could reasonably be expected to result in the incurrence by the City of any material liability, fine or penalty.

Section 5.9 Use of Certificate Proceeds. The proceeds of the Certificates will be expended in the manner set forth in the Third Supplemental Trust Agreement.

Section 5.10 Regulations U and X. The City is not engaged in the business of extending credit for the purpose of purchasing or carrying margin stock (within the meaning of Regulation U or X issued by the Board of Governors of the Federal Reserve System); and no proceeds of any Certificates will be used to extend credit to others for the purpose of purchasing or carrying any margin stock.

Section 5.11 Tax-Exempt Status. The City has not taken any action or omitted to take any action, and knows of no action taken or omitted to be taken by any other Person, which action, if taken or omitted, would adversely affect the exclusion of interest on the Certificates from gross income for Federal income tax purposes or the exemption of such interest from State of California personal income taxes.

Section 5.12 Security. The Trust Agreement creates a valid security interest in the funds and accounts created under the Trust Agreement and the moneys, including, without limitation, the Rental Payments on deposit therein, as security for the punctual payment of the interest and principal due with respect to the Existing Certificates, the 2008 Certificates and all Obligations. All actions necessary to create a first and exclusive right to the Rental Payments have been duly and validly taken.

Section 5.14 Fair Market Rental Value. The total principal component of the Rental Payments due under the Sublease and the total amount due with respect to all bonds, certificates of participation or any other obligation supported by or based on the fair market rental value of the Leased Property do not exceed the fair market value of the Leased Property and the total principal and interest due with respect to the Existing Certificates, the 2008 Certificates and the Obligations do not exceed the total Rental Payments due under the Sublease.

Section 5.15 Marketable Fee. The City has good and marketable fee title to the Leased Property. Each item of Leased Property is an essential asset of the City necessary to serve the needs of the residents of the City. The City believes that at all times while any Rental Payments or any obligation of the City hereunder remains unpaid, each item of the Leased Property will remain an essential asset of the City.

Section 5.17 No Sovereign Immunity. The City hereby makes every representation and warranty made by it in any Related Document to which it is a party, which representations and warranties, as well as the defined terms contained therein that are necessary for a correct interpretation thereof, are incorporated herein by this reference with the same effect as if each and every such provision and defined term were set forth herein in its entirety. No amendment to such representations and warranties or defined terms made pursuant to any such Related Document and no termination or replacement of any such Related Document shall be effective to amend, terminate or replace such representations and warranties or defined terms as incorporated by reference therein without the prior written consent of the Bank.

the Bank. No termination or amendment or modification of any of the Underlying Provisions shall be effective to terminate or amend or modify the Incorporated Provisions without the prior written consent of the Bank. In the event of a conflict between the covenants and agreements set forth in this Article VI (other than the Incorporated Provisions) and the Incorporated Provisions, the covenants and agreements set forth in the other provisions of Article VI shall prevail. Notwithstanding anything to the contrary contained in this Section 7.6, any Incorporated Provisions that require the Bank to provide consent for the issuance of Additional Certificates shall be waived so long as all other conditions in the Related Documents necessary for the issuance of Additional Certificates have been satisfied in full.

Section 7.7 City Related Documents. The City will not amend, supplement or otherwise modify, or agree to the amendment, modification or termination of, any of the Related City Documents if such action could reasonably be expected to materially adversely affect the City's ability to perform its obligations under this Agreement and the City Related Documents or materially adversely affect the business, financial position or results of operations of the City.

Section 7.8 Assignment, Transfer or Sublease. The City shall not assign, transfer or sublease any Leased Property except (a) in accordance with Section 2.04 of the Sublease and (ii) with the written consent of the Bank, which consent shall not be unreasonably withheld.

Section 7.13 Alternate Credit Enhancement. The City agrees that any termination of the Letter of Credit as a result of the provision of any Alternate Credit Enhancement will require, as a condition thereto, that the City or the issuer of the Alternate Credit Enhancement will provide funds on the date of such termination or provision, which funds will be sufficient to pay in full at the time of termination of the Letter of Credit all Obligations due to the Bank hereunder.

Section 7.14 Best Efforts. In the event the City does not request an extension of the LOC Period or the Bank denies or fails to respond to a request to extend the LOC Period, the City shall use its best efforts to secure Alternate Credit Enhancement for the 2008 Certificates, convert the 2008 Certificates to a mode of interest that does not require Credit Enhancement,

Section 7.19 Investment Agreements; Qualified Swap; Consent of Credit Provider. The City agrees that it will not, and instruct the Trustee not to, invest the proceeds of any 2008 Certificates or Rental Payments in any Permitted Investment of the type described in clause (h) thereof (investment agreements) without first obtaining the prior written consent of the Bank, which consent shall not be unreasonably withheld. Without first obtaining the prior written consent of the Bank, which consent shall not be unreasonably withheld, the City shall not enter into a Qualified Swap that does not comply with the Swap Policy as in effect on the date hereof. The City acknowledges and agrees that the Trustee and the Owners must obtain the prior written consent of the Bank, as contemplated by Article XI of the Trust Agreement, before proceeding to exercise remedies under the Trust Agreement with respect to the 2008 Certificates following the occurrence of an "event of default" under the Trust Agreement.

Section 7.20 Maintenance of Tax-Exempt Status of the 2008 Certificates. The City will not take any action or omit to take any action which, if taken or omitted, would adversely affect the exclusion of interest on the 2008 Certificates from gross income for purposes of federal income taxation or the exemption of such interest from State of California personal income taxes.

Section 7.21 Plans. The City will (i) remain at all times in compliance with any applicable law (including any legally available grace periods) with respect to any Plan, and (ii) maintain each Plan as to which it may have any liability in compliance in all material respects with the provisions of applicable law, the failure to comply with which could subject the City to any tax or penalty which tax or penalty, taken together, with all other taxes and penalties which could be assessed against the City by reason of all other non-compliances, would have a material adverse affect on the business, financial position or results of operations of the City.

Section 7.22 Further Assurances. The City agrees to do such further acts and things and to execute and deliver to the Bank such additional assignments, agreements, powers and instruments as the Bank may reasonably require or reasonably deem advisable to carry into effect the purposes of this Agreement or to better assure and confirm to the Bank its rights, powers and remedies hereunder and under the City Related Documents. If on the date the Letter of Credit

issued, the Certificates have been assigned a long-term/short-term rating of “AA/A-1+” by S&P or “AA/F-1+” by Fitch but not by both rating agencies, then the City shall use its reasonable best efforts to seek the other long-term/short-term rating in respect of the Certificates as soon as practicable following the Date of Issuance.
