This Certificate represents interest at the rate per annum specified above from the Interest Payment Date (as defined below) to which interest has been paid or duly provided for next preceding its date of execution, unless such date of execution shall be (i) prior to the close of business on \_\_\_\_\_, 2008, in which case this Certificate shall represent interest from \_\_\_ 1,

2008, (ii) subsequent to a Record Date (as defined below) but before the related Interest Payment Date, in which case such Certificate shall represent interest from such Interest Payment Date or (iii) an Interest Payment Date to which interest has been paid in full or duly provided in which case such Certificate shall represent interest from such date of execution; provided, however, that if, as shown by the records of the Trustee, interest shall be in default, each Certificate shall represent interest from the last date to which interest has been paid or duly provided for or if no interest has been paid or duly provided for, from \_\_\_ 1, 2008. The term "Interest Payment Date" means each February 1 and August 1. The term "Record Date" means the close of business on the fifteenth day of the month immediately preceding any Interest Payment Date, whether or not such day is a Business Day.

Except as otherwise provided in the Representation Letter, the interest represented by the Certificates shall be payable on each Interest Payment Date by check or draft mailed on the Interest Payment Date by the Trustee to the respective Owners of the Certificates as of the Record Date for such Interest Payment Date at their addresses shown on the books required to be kept by the Trustee pursuant to the provisions of the Trust Agreement. Payments of defaulted interest with respect to any Certificate shall be paid by check or draft to the Owner as of a special record date to be fixed by the Trustee, notice of which special record date shall be mailed to the Owner of the Certificate not less than ten days prior thereto.

The Owner of \$1,000,000 or more in aggregate principal amount represented by the Certificates may request in writing that the Trustee pay the interest represented by such Certificates by wire transfer to an account in the Continental United States and the Trustee shall comply with such request for all Interest Payment Dates following the fifteenth day after receipt of such request.

Interest with respect to the Certificates shall be computed on the basis of a 360-day year of twelve 30-day months. Payment shall be made on each Interest Payment Date for unpaid interest accrued to but not including such Interest Payment Date.

This Certificate is one of the duly authorized certificates of participation entitled "City of Pasadena, 2008B Refunding Certificates of Participation." 2008B Certificates having a principal amount of \$ \_\_,000,000 have been executed by the Trustee under and pursuant to the Trust Agreement.

To the extent and in the manner permitted by the terms of the Trust Agreement, the provisions of the Trust Agreement may be amended or supplemented by the parties thereto, in some instances without the consent of the registered Owners of the Certificates. No amendment or supplement shall (1) reduce the rate of interest evidenced and represented hereby or extend the time of payment thereof or reduce the amount of the principal evidenced and represented hereby or extend the Principal Payment Date hereof, (2) reduce the percentage of Owners whose consent is required for the execution of any amendment of or supplement to the Trust Agreement, or (3) modify any rights or obligations of the Trustee without its prior written consent thereto.

The Certificates are authorized to be executed and delivered in the form of fully registered Certificates in denominations of five thousand dollars (\$5,000) or any integral multiple thereof (each, an "Authorized Denomination").

This Certificate is transferable or exchangeable by the Owner hereof, in person or by his attorney duly authorized in writing, at the office of the Trustee in Los Angeles, California, or such other place as designated by the Trustee, but only in the manner, subject to the limitations and upon payment of the charges provided in the Trust Agreement; and upon surrender of this Certificate for cancellation, accompanied by delivery of a duly executed written instrument of transfer or exchange, a new Certificate or Certificates of Authorized Denominations of the same Principal Payment Date equal to the principal amount hereof will be executed and delivered by the Trustee to the Owner thereof in exchange or transfer herefor. The Trustee shall not be required to transfer or exchange any Certificate during any period in which it is selecting Certificates for prepayment, nor shall the Trustee be required to transfer or exchange any Certificate or portion thereof selected for prepayment from and after the date of mailing the notice of prepayment. The Trustee may treat the Owner hereof as the absolute Owner hereof for all purposes, whether or not this Certificate shall be overdue, and the Trustee shall not be affected by any knowledge or notice to the contrary; and payment of the interest and principal and prepayment premium, if any, evidenced and represented by this Certificate shall be made only to such Owner as above provided, which payments shall be valid and effectual to satisfy and discharge the liability evidenced and represented by this Certificate to the extent of the sum or sums so paid.

The Certificates are subject to prepayment on any date prior to their respective Principal Payment Dates, as a whole, or in part, from the net proceeds of any insurance or condemnation award with respect to the Leased Property or portions thereof, at a prepayment price equal to the sum of the principal amount represented thereby plus accrued interest represented thereby to the date fixed for prepayment; without premium.

The 2008B Certificates maturing on or after February 1, 20\_\_, are subject to optional prepayment by the City on or after February 1, 20\_\_, in whole, or in part in Authorized Denominations proportionately among all maturities and by lot within a maturity, on any date, at the prepayment price of 100% of the principal amount of the 2008B Certificates to be redeemed, plus accrued interest represented thereby to the date fixed for prepayment

As provided in the Trust Agreement, notice of prepayment hereof or of any part hereof shall be mailed, first class postage prepaid, not less than 30 nor more than 60 days before the prepayment date, to the Owner of this Certificate at his or her address as it appears in the registration books maintained by the Trustee and to those securities depositories and securities information services specified in the Trust Agreement, but neither failure to receive any such notice nor any defect contained therein shall affect the validity of the proceedings for the prepayment of this Certificate. If this Certificate is called for prepayment and payment is duly provided therefor as specified in the Trust Agreement, the interest represented hereby shall cease to accrue.

The Certificates each evidence and represent a proportionate, undivided interest in the Base Rental Payments and enjoy the benefits of a security interest in the money held in the funds established pursuant to the Trust Agreement (other than the Rebate Fund), subject to the provisions of the Trust Agreement permitting the disbursement thereof for or to the purposes and on the conditions and terms set forth therein.

The obligation of the City to pay Base Rental Payments does not constitute an indebtedness of the City for which the City is obligated to levy or pledge any form of taxation or for which the City has levied or pledged any form of taxation. The obligation of the City to pay Base Rental Payments does not constitute an indebtedness of the City, the State of California, or any of its political subdivisions within the meaning of any constitutional or statutory debt limitation or restriction. The obligation of the City to make the Base Rental Payments is subject to abatement during any period in which, by reason of material damage, destruction or title defect, there is substantial interference with the use and occupancy of the Leased Property or portions thereof or if the Leased Property or portions thereof are taken under the power of eminent domain, all as more particularly provided in the Sublease to which reference is hereby made.

The Trustee has no obligation or liability to the registered Owners of the Certificates for the payment of the interest or principal or prepayment premiums, if any, evidenced and represented by the Certificates; but rather the Trustee's sole obligation is to administer, for the benefit of the City and the Authority and the registered Owners of the Certificates, the various funds established under the Trust Agreement. The Authority has no obligation or liability whatsoever to the registered Owners of the Certificates.

The Trust Agreement provides that the occurrences of certain events constitute Events of Default. Subject to certain limitations, the Trustee or the Owners of not less than a majority in aggregate principal amount represented by the Certificates at the time Outstanding shall be entitled to take whatever action at law or in equity may appear necessary or desirable to enforce its rights as assignee.

IN WITNESS WHEREOF, this 2008B Certificate has been executed by the manual signature of an authorized officer of the Trustee acting pursuant to the Trust Agreement.
