Honorable Councilmember McAustin:

I would like to inform you that I am resigning from my position as Chair for the Northwest Commission, effective October 1, 2008. Thank you for the opportunity to serve the City of Pasadena in helping to address important issues in Northwest Pasadena such as housing, economic development, employment opportunities, infrastructure improvements, social services, and public safety. All of the current Northwest Commissioners have worked diligently over the past year to provide insightful recommendations to staff on the new Northwest Community Plan, the Enterprise Zone, and Redevelopment Project Area progress. I am confident that their level of energy and competence will continue to benefit the City of Pasadena for years to come.

Best Regards,

Dante G. Hall
