

community members took a tour of a sports complex in the City of Chino Hills to view a synthetic turf field and discuss maintenance issues and usage with Chino Hills's staff. As a result of this visit and all other research, staff recommends Fieldturf USA Inc. as the synthetic turf supplier for Robinson Park.

Fieldturf USA Inc. has been producing and supplying synthetic turf in the United States for over 17 years and has over 3,000 fields in place worldwide. Fieldturf USA Inc. will act as both the supplier and installer of this specialty product, which is of great appeal to staff. Other agencies and designers alike have also commented on Fieldturf USA Inc.'s customer service as a particular strong point.

The Cities of Burbank, Riverside, and La Verne recently purchased synthetic turf through California Multiple Award Schedules (CMAS) and established a buying agreement (Contract Number 4-06-78-0031A) with Fieldturf USA, Inc. Fieldturf USA, Inc. will extend the CMAS pricing to the City of Pasadena. By taking advantage of this opportunity the City will realize savings of approximately \$62,215.

The proposed contract with Fieldturf USA, Inc., for approximately 152,302 square feet will be as follows:

Base price for installed turf including permanent markings and tax on materials	\$ 819,244
Contingency Allowance	<u>\$ 40,756</u>
Contract "Not to Exceed" Amount	\$ 860,000

FISCAL IMPACT:

Sufficient funding in the form of Certificates of Participation, General Fund and Residential Impact Fees is available in Capital Improvement Program budget account number 78034, Robinson Park – Implement Master Plan.
