

Agenda Report

TO: CITY COUNCIL **DATE:** AUGUST 17, 2009
FROM: CITY MANAGER
SUBJECT: APPROVAL OF FINAL TRACT MAP NO. 070320, BEING A TEN-UNIT CONDOMINIUM PROJECT, AT 480 SOUTH LOS ROBLES AVENUE

RECOMMENDATION:

It is recommended that the City Council:

- 1) Adopt a resolution to approve Final Tract Map No. 070320; and
- 2) Authorize the City Clerk to execute the Certificate on the map showing the City's approval of said map.

BACKGROUND:

The subject Final Tract Map, consisting of ten residential condominium air parcels at 480 South Los Robles Avenue, was reviewed and approved in tentative form by the Hearing Officer on July 2, 2008.

The developer's engineer has completed the final map which has been reviewed by a licensed surveyor. Said map is now ready for City Council's approval prior to recordation in the office of the County Recorder. The developer has complied with or provided surety for all the conditions of approval required by the City. Included among these conditional requirements was monumentation. No additional discretionary actions were required.

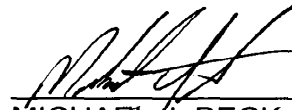

The site was formerly developed with a nine-unit apartment building which was demolished in June 2007. Construction on the new condominium project began in July 2007 and was completed in July 2009.

The project consisting of ten units is subject to the standards of the Inclusionary Housing Requirements, Chapter 17.42 of the PMC. The Inclusionary Housing Requirements are applicable to newly constructed residential dwelling units of ten or more, or subdivision maps consisting of ten or more residential lots. The applicant complied by submitting an in-lieu payment, half of which was submitted at Building Permit issuance and the remainder due before Certificate of Occupancy. The project is subject to the requirements of the Tenant Protection Ordinance – Pasadena Municipal Code (PMC) Chapter 9.75, and the Housing Rights Center, the City's TPO compliance contractor, reports that the developer has complied with the ordinance and all tenants have received all benefits due them as required by the Ordinance.

FISCAL IMPACT:

The developer has paid for all costs to prepare and process the subdivision documents. Approval of this action will generate additional revenue to the City in an amount to be determined later in the form of property taxes.

Respectfully submitted,

MICHAEL J. BECK
City Manager
