Subject: Repeal of Handbill Distribution

It has just come to my Attention (August 12) that the City Council voted August 10 (I Reading) to repeal existing Handbill Ordinance (passed June 27). Much time and neighborhood involvement was devoted at that time to pass this Ordinance

At that time neighborhood was burglarized at high rate - Houses - Apartment's broken into. Uninvited Guest's entering residential areas. placing all kinds of Stuff on Door handle (Knots) Sending message - Nobody Home

Special Interest Group (5 People) arranged a meeting at the Pasadena Library June 27-09.

Subject: Freedom of Speech - Bill of Rights

Attend. 8 people - Public Comment: 2 people (two)
The Issue here is a safety Issue - not a Speech Issue

I urge you not to repeal existing Handbill Ordinance - which has been successful for the past 11 years - until a permanent Solution (Ordinance) can be put in place.

Please protect our Homes from Door Hangers.
