**CONSENT ITEMS
DISCUSSED SEPARATELY**

RESOLUTION AUTHORIZING SUBMITTAL OF AN APPLICATION TO THE ENVIRONMENTAL ENHANCEMENT MITIGATION PROGRAM FOR THE TREES AND NATIVE PLANT PROJECT IN PASADENA

Recommendation of City Manager: It is recommended that the City Council:

- (1) Find that the tree plantings proposed in the agenda report:
 - (a) are exempt from the California Environmental Quality Act (CEQA), pursuant to State CEQA Guidelines Section 15304
 - (b) (minor alterations to land – new landscaping); and
 - (b) are included in the projects reviewed in the Arroyo Seco Master Plan Master EIR that was certified in 2003, and there are no changed circumstances or new information that would require further environmental review.
- (2) Adopt a resolution authorizing submittal of an application to the Environmental Enhancement Mitigation Program for the planting of trees at various locations along City streets and Native Plant Restoration Project in the Arroyo Seco. (Resolution No. 8992)

Recommendation of Recreation and Parks Commission: At their regular meeting on October 6, 2009, the Recreation and Parks Commission voted unanimously to recommend the City Council approve the City of Pasadena's application for the Environmental Enhancement Mitigation Program of 2009-2010 for the Tree and Native Plant Project in Pasadena.

The following persons expressed concerns regarding the trees and native plant project:

- Lori Paul, Pasadena resident, submitted a letter stating concerns from Leona Klippstein, Spirit of the Sage Council Executive Director, dated November 2, 2009.
- Mary Barrie, Friends of Hahamongna representative

Martin Pastucha, Director of Public Works Department, summarized the agenda report and responded to questions.

Councilmember McAustin suggested that staff consider use of this funding in placing trees near, or as a part of, public transit facilities sites (e.g., the Lake Avenue (Gold Line) Station).

Councilmember Tornek asked staff to respond to the letter from the Spirit of the Sage Council.

It was moved by Councilmember McAustin, seconded by Councilmember Haderlein, to approve the City Manager's recommendation. (Motion unanimously carried) (Absent: Councilmember Robinson, Vice Mayor Gordo)

AUTHORIZATION TO ENTER INTO A CONTRACT WITH POWER ENGINEERS, INC., FOR OWNERS ENGINEERING SERVICES, AND WORLEYPARSONS GROUP, INC., FOR AIR QUALITY ANALYSIS AND PERMITTING SERVICES TO SUPPORT THE REPOWERING PROJECT AT THE BROADWAY POWER PLANT

Recommendation of City Manager:

(1) Find that the contracts proposed herein are exempt from the California Environmental Quality Act (CEQA), pursuant to State CEQA Guidelines Section 15061 (general rule);

(2) Authorize the City Manager to enter into a contract with Power Engineers, Inc., to perform owner's engineering services for the Broadway Repowering Project at the Broadway Power Plant (Broadway Repowering Project) for an amount not to exceed \$3,000,000 or up to the completion of the Broadway Repowering Project, but not to exceed seven years, whichever occurs first. The proposed contract is exempt from competitive bidding, pursuant to City Charter Section 1002 (F), contracts for professional or unique services; and

(3) Authorize the City Manager to enter into a contract with WorleyParsons Group, Inc., to perform air quality analysis and permitting services for the Broadway Repowering Project for an amount not to exceed \$255,000. The proposed contract is exempt from competitive bidding, pursuant to City Charter Section 1002 (F), contract for professional or unique services. (Contract Nos. 20,118 and 20,119)

Phyllis Currie, General Manager of Water and Power Department, introduced the agenda item and responded to questions regarding the repowering project.

Gurcharan Bawa, Assistant General Manager/Power Supply, reviewed the agenda report as part of a PowerPoint presentation and responded to questions.

David Czamanske, Sierra Club-Pasadena Group representative, expressed concerns regarding the proposed repowering project.

The City Manager responded to questions regarding the repowering project.

It was moved by Councilmember McAustin, seconded by Councilmember Tornek, to approve the City Manager's recommendation. (Motion unanimously carried) (Absent: Councilmember Robinson, Vice Mayor Gordo)

Councilmember Tornek recused himself at 7:32 p.m., due to a conflict of interest.

APPROVAL OF FINAL TRACT MAP NO. 070782, BEING A SIX-UNIT CONDOMINIUM CONVERSION, AT 824-834 EAST CALIFORNIA BOULEVARD

Recommendation of City Manager:

- (1) Adopt a resolution to approve Final Tract Map No. 070782; and
- (2) Authorize the City Clerk to execute the certificate on the map showing the City's approval of said map. (Resolution No. 8993)

Councilmember McAustin disclosed for the record that, although she has no interest in this matter, her husband sits on the board of the applicant's nonprofit organization.

The City Attorney opined that Councilmember McAustin could legally participate in this action as long as she felt that she could be fair and open in making a decision.

The Mayor noted that delay by the Council in acting on this matter could impact time constraints being placed on the applicant.

It was moved by Councilmember Madison, seconded by Councilmember Haderlein, to approve the City Manager's recommendation. (Motion unanimously carried) (Absent: Councilmembers Robinson, Tornek, Vice Mayor Gordo)

PUBLIC HEARINGS

Councilmember Tornek returned at 7:37 p.m.

CONTINUED PUBLIC HEARING: CALL FOR REVIEW OF ZONING ADMINISTRATOR INTERPRETATION (ZA NO. 32), 217 SOUTH MICHIGAN AVENUE (EDDIE'S MARKET)

Recommendation of City Manager: It is recommended that the City Council continue the public hearing to November 16, 2009, at 7:30 p.m.

The Mayor noted that discussions between the City staff and applicant are continuing.

By consensus and on order of the Mayor, the public hearing was continued to November 16, 2009 at 7:30 p.m.

CONTINUED PUBLIC HEARING: CALL FOR REVIEW OF A DECISION BY THE DESIGN COMMISSION, MINOR CHANGES TO AN APPROVED PROJECT: SUBSTITUTE

MATERIAL/FINISH ON CORNICE, 125 NORTH RAYMOND AVENUE (RAYMOND RENAISSANCE PROJECT)

Recommendation of City Manager:

(1) Find that the revised Final Environmental Impact Report (FEIR) and Addendum certified by the City Council on January 7, 2002 – with findings of fact and a statement of overriding considerations for the Raymond Theater Reuse and Mixed-Use Project (“project”) now known as the “Raymond Renaissance” – and a Second Consistency Finding to the revised FEIR, pursuant to the California Environmental Quality Act (CEQA) (Public Resources Code Section 21000, et seq.) and State CEQA Guidelines Section 15164 (May 2005) apply to this action.

(2) Find that the change to the material of the cornice is, as specified in Section 17.61.030(l)(6) and Section 17.64.050 of the Pasadena Municipal Code:

- Minor and consistent with the intent of the original approval (*the physical form, projection, and placement of the cornice comply with the approved design*);
- Consistent with all applicable provisions of the Zoning Code (*No provisions about the material and finish of a cornice are in the Zoning Code*);
- Does not involve a feature of the project that was specifically addressed in, or was a basis for findings in a Negative Declaration (ND), Mitigated Negative Declaration (MND), or Environmental Impact Report (EIR) for the project (*the material of the cornice is not addressed in the EIR*);
- Does not involve a feature of the project that was specifically addressed in, or was a basis for conditions of approval for the project, or that was a specific consideration by the applicable review authority in the approval of the permit (*the change of material is unrelated to conditions of approval*); and
- Does not expand the approved floor area or any outdoor activity area by 10 percent or more over the life of the project (*change of material is unrelated to floor area*).

(3) Find that the proposed change – *if modified to comply with the condition of approval* – is consistent with the applicable design guidelines.

(4) Find that there are changed circumstances sufficient to justify the proposed changes (*representations from developer about structural properties when installing copper with specified spans and projections, concerns about liability and waterproofing*).

(5) Based on these findings, approve the request for changes to the previously approved design with the following condition:

As an alternate to recoating or cladding the roofline cornice, staff shall work with the applicant on aesthetic enhancements to the project.

Recommendation of Design Commission: Approve the request for changes to the previously approved design with the following condition: In lieu of the existing plaster finish, the applicant and the applicant’s architect or consultant shall propose a method to change the finish (e.g., paint in a solid

color) – and this proposal to change the finish shall be reviewed and approved by a three-person subcommittee of the Design Commission. The Commission also indicated that this work may be delayed to accommodate construction loans and other financing issues.

The Mayor announced now was the time for the continued public hearing.

The City Manager introduced the agenda item.

John Poindexter, Planning Manager, distributed and reviewed a staff memorandum dated November 2, 2009 and titled, "Additional Information about Substitute Material/Finish on Cornice, 125 North Raymond Avenue (Raymond Renaissance Project)", as part of a PowerPoint presentation; and responded to questions.

The following persons spoke in support of the staff recommendation:

Gene Buchanan, co-applicant
Marilyn Buchanan, co-applicant

It was moved by Councilmember Holden, seconded by Councilmember Haderlein, to close the public hearing. (Motion unanimously carried) (Absent: Councilmember Robinson, Vice Mayor Gordo)

Councilmember Tornek expressed support for the Design Commission's recommendation and concerns regarding the applicant's failure to follow the City's process for changing an approved design.

Richard Bruckner, Director of Planning and Development Department, responded to questions regarding altering the use of copper as part of the approved design.

The Mayor suggested staff explore use of a process for future projects whereby the applicant and architect would certify that a project complies/conforms with the approved design.

Following discussion, it was moved by Councilmember Holden, seconded by Councilmember Madison, to approve the City Manager's recommendation:

AYES: Councilmembers Haderlein, Holden, Madison, McAustin

NOES: Councilmember Tornek

ABSTAIN: Mayor Bogaard

ABSENT: Councilmember Robinson, Vice Mayor Gordo
(Motion failed)

The decision of the Design Commission stands.

INFORMATION ITEM

UPDATE ON GENERAL PLAN OUTREACH PROGRAMS

Richard Bruckner, Director of Planning and Development Department, acknowledged Stephanie DeWolfe, Deputy Director, and Jason Mikaelian, Senior Planner, for their work on the General Plan Update project, as well as the contributions of Fred Dock, Director of Transportation Department, and other City staff. He responded to questions regarding the General Plan Update process.

Emily Stork and Noel Toro, General Plan Update Advisory Committee (GPUAC) members, highlighted the Committee's focus in engaging all segments of the community in the update process through various outreach events/discussions.

As part of a PowerPoint presentation, Ms. DeWolfe reported on the outreach that had been conducted to date: programs/events targeted for the general population (interviews with cross-section of stakeholders, meetings with community organizations, moveabout tours, a speaker series on various planning issues, and workshops with segments of the general community and the Council districts); and programs/events conducted specifically for community youth (Gold Line moveabout tour, meetings with various youth groups, special workshops, and 3-D City-building exercises). She invited the community to the General Plan Open House Extravaganza to be held on November 14, 2009; and highlighted some of the key activities scheduled during this four-hour afternoon event. She outlined the process that will be used to develop and draft the outreach report that will be presented to Council in Spring 2010, and responded to questions regarding the full General Plan update process.

The City Manager complemented staff on the breadth of the outreach that had been conducted and the focus on participation by the community in this process, and responded to questions.

Councilmember McAustin stated her expectation that the issue of population and how much growth can be tolerated would be addressed in the report.

Discussion followed on development of the outreach summary report, strategies and alternatives to be reviewed, and draft policies and plan; identification of consistent themes for issues that were elicited at the various discussions/workshops and in written comments from the community; the need for the update process/report to be community driven, rather than staff driven; the role of GPUAC in the process; documentation of the community input (oral and written) as part of the process; alignment of the City's rules and regulations (planning documents) with the policies pertaining to the updated General

Plan; and the implications of Assembly Bill 32 (Air pollution: Greenhouse Gases: Global Warming Solutions Act) and Senate Bill 375 (Transportation planning: travel demand models: sustainable communities strategy: environmental review) on the General Plan update.

On order of the Mayor, the information was received.

COMMITTEES**

**MUNICIPAL SERVICES
COMMITTEE**

AUTHORIZATION TO EXECUTE A MEMORANDUM OF UNDERSTANDING FOR THE IMPERIAL VALLEY GEOTHERMAL FEASIBILITY AND EXPLORATION PROJECT BY AND AMONG THE LOS ANGELES DEPARTMENT OF WATER AND POWER, IMPERIAL IRRIGATION DISTRICT, GLENDALE, BURBANK, COLTON, PASADENA, AND SOUTHERN CALIFORNIA PUBLIC POWER AUTHORITY

Revised Recommendation of City Manager:

(1) It is recommended that the City Council find that California Environmental Quality Act (CEQA) is not applicable, as the City is not committing itself to a definitive course of action to undertake any physical construction project at this time;

(2) Authorize the City Manager to enter into a Memorandum of Understanding ("MOU") with the Southern California Public Power Authority ("SCPPA"), the Los Angeles Department of Water and Power, Imperial Irrigation District, City of Glendale, City of Colton, and City of Burbank under which the parties will undertake exploratory drilling to ascertain whether there is sufficient geothermal potential for the parties to develop a power plant located on the southeastern shore of the Salton Sea in Imperial County in Southern California for an amount not to exceed \$720,000; and

(3) This MOU is exempt from competitive bidding, pursuant to City Charter Section 1002(H), contracts with other governmental agencies or their contractors. (Agreement No. 20,120)

Councilmember McAustin, Chair of the Municipal Services Committee, introduced the agenda item.

The City Manager discussed the City's efforts to meet its renewable resource portfolio goals.

Gurcharan Bawa, Assistant General Manager/Power Supply, reviewed the agenda report as part of a PowerPoint presentation.

David Czamanske, Sierra Club-Pasadena Group representative, spoke in support of the City's participation in projects using renewable resources.

It was moved by Councilmember McAustin, seconded by Councilmember Haderlein, to approve the City Manager's recommendation. (Motion unanimously carried) (Absent: Councilmember Robinson, Vice Mayor Gordo)

ORDINANCE – FIRST READING

Conduct first reading of “AN ORDINANCE OF THE CITY OF PASADENA AMENDING CHAPTER 3.22 AND SECTION 8.60.250 OF THE PASADENA MUNICIPAL CODE REGARDING PUBLIC SAFETY AT SPECIAL EVENTS AND CURBSIDE DUMPING AT SPECIAL EVENTS”

The above ordinance was offered for first reading by Councilmember Madison:

AYES: Councilmembers Haderlein, Holden, Madison, McAustin, Tornek, Mayor Bogaard

NOES: None

ABSENT: Councilmember Robinson, Vice Mayor Gordo

COUNCIL COMMENTS

The City Clerk discussed and distributed a proposed Council meeting calendar for 2010.

Councilmember Holden reported on the Federal Aviation Administration's (FAA) decision to disapprove the Burbank-Glendale-Pasadena Airport Authority's Part 161 Study/ application to implement a night curfew at Bob Hope Airport, and on the Authority's continuing efforts to pursue noise relief in the area of the airport during evening hours; and submitted a copy of the information received from the FAA.

In response to Councilmember McAustin's questions, the City Attorney indicated that staff would inform Council about the timeline for presenting the revised wireless telecommunications facilities ordinance to Council.

ADJOURNMENT

On order of the Mayor, the regular meeting of the City Council adjourned at 9:24 p.m.

Bill Bogaard, Mayor
City of Pasadena
