Dear Mr. Mayor,

I am writing today to express the strong support of the Pasadena Tournament of Roses for the Ordinance Amending Chapter 3.22 and Chapter 8.60 of the Municipal Code Regarding Public Safety at Special Events. We understand that the Council will begin its review process of this document this evening.

We have carefully reviewed the proposed ordinance change and believe the changes are absolutely essential to preserving the safety and security of the public at special events in the future. We were privileged to have had the opportunity to review this document while in draft form, and we congratulate the team that prepared the document for their hard work and the open communications during that process.

We strongly urge adoption of this proposed change to the Pasadena Municipal Code. Please do not hesitate to contact me if you have any questions regarding our support for this document or the underlying need for these changes.

Sincerely,

Handwritten signature of John M. Dorger
