City of Pasadena
Historic Preservation Commission
James Ipekjian, Chair

Dear Jim:

As you know, my wife and I have been planning to move to Albuquerque, New Mexico. After a slow start, things are now moving fast. Our home of 31 years has now sold and we purchased a house in Albuquerque last Thursday; with July 15th being our last day in Pasadena.

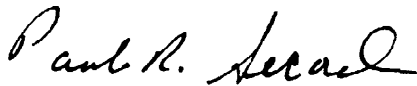

I regret that I must resign the HPC effective July 1st. Last year, when I put in motion an application for membership, I had absolutely not idea that I would ever leave Pasadena. Serving on the HPC had been a desire of mine for many, many years, and I have enjoyed every moment of my brief tenure.

The June 21st meeting, during which I will be delighted to recuse myself from discussion on the proposed Annandale Road Landmark District, will be may last.

My thanks to you, to the other Commissioners, and to City Staff for your support and for sharing your knowledge of Pasadena.

I will keep my eye on Pasadena and surely be back from time to time.

Sincerely yours,

Paul R. Secord
