

# Agenda Report

September 20, 2010

TO: Honorable Mayor and City Council

**FROM:** Housing Department

SUBJECT: JOINT PUBLIC HEARING: DRAFT CONSOLIDATED ANNUAL PERFORMANCE AND EVALUATION REPORT (2009 - 2010 PROGRAM YEAR) FOR PROJECTS FUNDED FROM COMMUNITY DEVELOPMENT BLOCK GRANT, EMERGENCY SHELTER GRANT, HOME INVESTMENT PARTNERSHIP ACT, AND HUMAN SERVICES ENDOWMENT FUND PROGRAMS

## **RECOMMENDATION:**

It is recommended that the City Council/ Community Development Commission, following the public hearing, approve the submission, to the U.S. Department of Housing and Urban Development (HUD), of the Consolidated Annual Performance and Evaluation Report (CAPER) for the 2009-2010 Program Year for projects funded under the Community Development Block Grant (CDBG), Emergency Shelter Grant (ESG), the HOME Investment Partnership Act, and the Human Services Endowment Fund (HSEF) programs.

# **EXECUTIVE SUMMARY:**

The City of Pasadena receives Community Development Block Grant (CDBG), HOME Investment Partnership Act (HOME) and Emergency Shelter Grant (ESG) entitlement funds from the U.S. Department of Housing and Urban Development (HUD) on an annual basis. As a recipient of these funds the City is required to prepare a five-year Consolidated Plan that identifies and prioritizes housing and community needs, and sets forth a plan and resources to address those needs. The Consolidated Plan for the period of 2005-2010 was approved by the City Council on June 1, 2005. Along with the Consolidated Plan the City is required to prepare and submit to HUD a Consolidated Annual Performance and Evaluation Report (CAPER) which details the City's accomplishments toward achieving the Consolidated Plan goals. The CAPER for the 2009-2010 Program Year contains performance assessments for 34 projects and programs supported with CDBG, ESG and HOME funds in the amount of \$3,863,560. In addition to these funds there were \$123,980 in Human Service Endowment Funds and \$98,117 in local match dollars provided to support human service and homeless

Approval of 2009-2010 Consolidated Annual Performance and Evaluation Report September 20, 2010 Page 2 of 4

assistance programs. Also identified in this report are approximately \$5 million from non-federal sources programmed for housing projects and programs that are supported with HOME and McKinney Act Funds.

These projects/programs have achieved specific objectives or continue to make progress toward those identified objectives. The performance assessments presented in the 2009-2010 CAPER indicate that the City, in its fifth and final program year has achieved many of the goals set forth in the 2005-2010 Consolidated Plan.

### **BACKGROUND:**

The CAPER describes how the City has utilized its federal funds, in particular the entitlement funds under the CDBG, ESG and HOME programs during the 2009-2010 Program Year. The report also details the progress that has been made toward its Consolidated Plan (2005-2010) Goals. Each jurisdiction receiving CDBG, ESG and HOME funds is required to make a draft CAPER available for a minimum fifteen day public review/ comment period prior to its submission to HUD. The public review/ comment period prior to its submission to HUD. A copy of the draft CAPER available at community centers, all branches of the public library and at the Housing Department. Public comments received will be included in the final CAPER submitted to HUD. A copy of the draft CAPER is on file with the City Clerk's Office.

The Housing Department performs the oversight and program administration for the funding received under the CDBG, ESG and HOME programs. An annual on-site monitoring assessment (fiscal and programmatic) is conducted on each funded project. The monitoring review is performed in accordance with the provisions set forth in the Code of Federal Regulations which requires the City, as a grantee, to make annual determinations that all sub-recipients are in compliance with the federal statutes and have the continuing capacity to administer and/or implement the project for which federal assistance has been provided. As part of the ongoing program administration, each sub-recipient is also required to provide monthly progress/activity reports and invoices (including back-up documentation) for reimbursement of approved costs for the funded projects. Similar monitoring and oversight is conducted by the Human Services and Recreation Department for the human/public service programs funded by the Human Services Endowment Program.

The Human Services Commission, at its regular meeting of September 8, 2010, received the Annual Project Performance Assessment for Public/ Human Service Projects assisted with CDBG, ESG and Human Services Endowment Fund monies for the 2009-2010 Program Year (Exhibit A). Although not required by federal regulations,

Approval of 2009-2010 Consolidated Annual Performance and Evaluation Report September 20, 2010 Page 3 of 4

those public/ human service projects funded under the HSEF program are also included in the Performance Assessment.

The Northwest Commission, at its regular meeting of September 9, 2010 received the Annual Project Performance Assessment for CDBG Non-Public Service Projects (Exhibit B) and affordable housing projects funded with HOME monies and other funding sources (Exhibit C).

These Annual Project Performance Assessments are contained in the CAPER and represent a total of 34 projects and programs funded with CDBG, ESG, HOME and other sources. These projects/programs have largely achieved specified goals and objectives. As a result of these achievements, the City has achieved a majority of the goals identified in the 2005-2010 Consolidated Plan for the 2005-2010 planning period.

### **ACCOMPLISHMENTS:**

In the 2009-2010 Program Year, 21 projects were assisted with public/human service funds and served over 6,600 unduplicated persons. These projects provided programming that addresses community violence and safety, education, food and nutrition, healthcare, homelessness, "at risk" youth and young adults, and general social services (Exhibit A). With CDBG non-public service funds, 8 projects received support for public facility improvements, enhanced code enforcement, fair housing services, housing rehabilitation, and economic development (Exhibit B). Through HOME funds and other funding sources, 5 projects received support for affordable housing acquisition and production (Exhibit C).

### FISCAL IMPACT:

In Fiscal Year 2009-2010 the City received \$3,863,560 through the CDBG, ESG and HOME Programs, and utilized \$123,980 of HSEF resources. The annual receipt of the CDBG, ESG and HOME funds is contingent upon appropriate program reporting and administration.

Approval of 2009-2010 Consolidated Annual Performance and Evaluation Report September 20, 2010 Page 4 of 4

### **COUNCIL POLICY CONSIDERATION**

This proposed action supports the City Council Strategic Planning Three-Year Goals specifically in the areas of improving, maintaining and enhancing public facilities and infrastructure, supporting the quality of life and maintaining fiscal responsibility and stability.

Respectfully submitted,

William K. Huang A

Housing Director

PERFORMANCE ASSESSMENT	<b>Quantitative</b> The project has provided 369 persons/families The project has provided 369 persons/families shelter. The numbers of persons served and off starys have grown as it is more difficult finding suitable placement than in past years. <b>Qualitative</b> Of the households provided shelter, 80% returned of the households provided shelter, 80% returned to the households provided shelter, 80% returned to the households provided shelter, 80% returned to the households providing immediate supervised emergency. Nousing to persons entering the homeless assistance system increases the iskelihood that they will complete the intake process and follow through on accessing programs and services to address their homelessness and other needs.	Quantitative The project has provided emergency housing to 85 households comprised of 280 individuals (including 19 children), providing approximately 838 nights of shelter in local molei cooms. Qualitative Al clients are served in conjunction with Passageways, the entry point of the City's Passageways, the entry point of the City's continuum of Care system. Project resources are used only when other emergency housing is not available or is not appropriate. Motel vouchers are issued sparingly. The project has met its goals.	Quantitative The project has served 701 unduplicated uninsured clients and has provided clients with 1062 health assessments and medical encounters, 315 prescriptions and 485 laboratory lests. The project also provided health education to 223 patients. Patients included children, adults and the elderly patients included children, adults and the elderly CONTINUED ON THE NEXT PAGE
PERFORMANCE MEASURES	Quantitative Assist and provide overrright shelter to 300 homeless persons going through the Passageways intake process. Qualitative 75% of homeless persons who receive temporary overright shelter will successfully complete the intake process and receive transitional and/or permanent supportive housing.	Quantitative Provide shelter for approximately 135 individuals (35 families). Provide an average of one hour of limited case management for those individuals and dimited seeking services. Qualitative 100% of clients seeking emergency shelter will be working with another agency in the Continuum of Care (ie Passageways) in order to stabilize their situation.	Quantitative Provide 1.235 heath assessments and treatment medical encounters. Provide 312 clints with prescriptions for necessary medications. Provide 480 laboratory tests required for diagnostic purposes and 216 health education contacts for preventive purposes.
EXPECTED OUTCOMES	It is expected that as a result of the provision of temporary, overnight shelter for Passageways intake clients, homeless thersons who seek services to recover from substance abuse, mental illness and homelessness will remain in the intake system and be able to access services.	Individuals and families seeking services will receive immediate temporary shetter and be provided case management services from ECAC and its Confinuum of Care partner agencies. These services will help to stabilize the lives of homeless persons and lead them to services that will assist them in returning to stable housing.	Program participants will have increased access to heath care. Uninsured persons will receive services to resolve acute health problems. Health education will be health problems. Health education will be provided where indicated. Medically indigent persons will have their quality of life improved.
GOALS/OBJECTIVES	Provide emergency overnight shelter for persons going through the intake process at the provide and the option passageways, the point of entry into the City's homeless services system.	Provide community organizations, that serve homeless families and individuals, with states afternatives when no long term afternatives when no long term shelters are available. The goal is to provide emergency shelter lodging at local area motels for those local area motels for those individuals and families that meet the low to moderate income qualifications.	Serve uninsured individuals and families by providing necessary medical problems of the patient. Services will include health, assessments, treatment visits, and reternals for education prescriptions, laboratory services, health education and reternals for specialty services as needed.

The project's efforts will lead to compliance with code and building safety guidelines and a greater emphasis on safe and sanitary housing.	Provide inspections of 4.033 properties. Inspections include single and multi family dwellings, vacant lots, building and investigate and abate 400 complaint driven inspections. Abate 75% of all code compliance cases within 60 days	The Code Enforcement Task Force conducted 4043 property inspections and conducted 1248 investigations regarding code compliance complaints. 75% of code compliance cases were resolved within 60 days The project met its goals.
8	EDUCATION & COUNSELING CENTER (Community Health Alliance of Pasadena - CHAP) site address: 1855 N. Fair Oaks Ave., #200 Pasadena. CA 9110	\$50.000	<b>\$</b>	Renovate and reconfigure current office space for use as the CHAP Education & Courseling Center. The CHAP building at 1655 N. Fair Oaks Avenue is owned by the City of Pasadena and build out will be done as a tenant improvement by the City's Public Works Department.	The reconfigured clinic space will be appropriate for the delivery of education and counseling services such as confidential counseling, a wide range of health education offerings to include the management of chronic health problems, family planning, STD prevention and mental health issues.	The completion of the project and the opening of the Education & Counseling Center will make possible the delivery education and counseling services for approximately 1,800 health education/counseling contacts for about 500 unduplicated persons annually.	As a public facilites improvement the project, the project is allowed 24 months for completion. The build out has not yet begun. The agency is working with the City on the plan check and permitting process. CHAP and the Public Works Department are currently planning and scheduling the work which is expected to be begin in fall 2010 an be completed in winter 2010-11.
ń	FAIR HOUSING PROGRAM (Housing Rights Center) 520 S. Virgil Ave., #400 Los Angelles. CA 90020 site adress: 1020 N. Fair Caks Ave. Pasadena. CA 91103	\$60,000	<b>\$</b> 60,000	Provide fair housing counseling services to residents of Pasadena.	Pasadena residents will become more knowledgeable of their rights to fair housing choice in the City. Increased miligation of housing related issues and complaints.	Serve approximately 2,000 individuals. Services to include education, complaint investigation, Landlord/ tenant mediation services and housing discrimination testing.	The project served 1,368 residents. Clients included tenants, property managers, reations, etc. The project initiated 66 fair housing complaint inquiries and opened discrimination cases where approprist. The project did not meet its quantitative goals for the year. HRC believes that this is due to eccoromic changes that are depressing retutal activity amongs cartain income groups, an exclution in the types of discrimination complaints lodged with HRC (e.g., the increase in disability-based claims), and other relatively are combining to produce a termporary full in the demand for fair housing services.
4	MAINTENANCE ASSISTANCE SERVICES TO HOME OWNERS (MASH) (MASH) (CityPlanning & Development Dept.) side address: 2783 Eaton Canyon Dr Pasadena.
