Northwest Manager

236 West Mountain Street, Suite 110

Pasadena, California 91103

Dear Lola,

I am writing you to formally notify that effective immediately I am resigning my position as Chair of the Northwest Commission.

It has been an honor to serve the NW Commission and the NW Community for the past 4 years. Time has come for me to concentrate on my Dissertation for my Doctoral Program.

I have no doubts that the NW Community will realize its vision with the talented group of Commissioners now serving.

Sincerely,

A handwritten signature in cursive script that reads "Charles K. Nelson".

Charles Nelson, Chair

Northwest Commission
