Steve Marcussen, Pasadena resident speaking on behalf of business tenants in the East Pasadena TOD area  
Bob Oltman, East Pasadena business owner

Councilmember Masuda stated and submitted his written concerns regarding the parking standards in the TOD area for East Pasadena, and asked that staff explore alternatives for raising the parking cap around the Sierra Madre Gold Line

Station, with the matter to be agendized for a future Council meeting.

Councilmember Gordo suggested that this issue be discussed as a part of the General Plan or the East Pasadena Specific Plan update process, and that the parking issues for TOD areas be reviewed comprehensively so that impacts on the adjoining neighborhoods are included.

Councilmember Gordo suggested that staff include responses to the issues that were raised by the above public speakers as part of the report.

Councilmember Holden suggested that, once the Public Safety Committee has reviewed the matter, the City also look at having a Council meeting in the community to provide a comprehensive report on all of the City's fire stations, with a focus on Fire Stations 39 and 32, to give residents an opportunity to provide input on the plans for continued fire services.
