Subject: My service on Commission on Status of Women

Dear Councilmember Madison:

I hope you are well! I wanted to let you know that after several years of service on the Commission on Status of Women and after serving as Chair and Vice Chair I will need to step down effective August 1st. It has been an absolute pleasure to work on the CSW. I cannot think of a more rewarding experience I've had volunteering. Thank you for appointing me, and for the incredible support you gave the CSW during these years.

Unfortunately, my international and national schedule has increased in frequency because I now direct the Center for Global Peacebuilding at Claremont School of Theology, and am a full time professor there as well. I am unable to come to the regular CSW meetings because I am so often traveling these days.

I do encourage you to fill my post and again thank you for your support of the Commission. With warmest personal appreciation,

Najeeba
