**Subject:** Transportation Commission

Hello Jacque!

My best regards and wishes on the election. You have been a consistently energetic, insightful and hardworking City Councilwoman. I am sure that the voters will remember those very positive traits.

You know I have been on the Transportation Commission for almost four years and it is time to resign from this volunteer effort. You will have the opportunity to appoint someone new. Through the years, I have enjoyed working with all of the Transportation Department staff and many of the commissioners. Thank you for your confidence in me.

Most Sincerely,

Floraline I. Stevens
