Please accept my resignation as of today from the Pasadena Senior Commission District 2. I want to thank Vice Mayor Margaret McAustin the opportunity to serve the City of Pasadena. Also I want to thank the commission members in opening my eyes to a Pasadena I never thought of. I want to wish all of you the best in the coming year. You as commissioners have a wealth of knowledge, and Pasadena is lucky to have you looking out for it's seniors.

If there is any forms I need to fill out, could you please e-mail them to me.

Thank you all again.
