

Ordinance Fact Sheet

TO: CITY COUNCIL

DATE: JUNE 11, 2012

FROM: CITY ATTORNEY

SUBJECT: AN ORDINANCE OF THE CITY OF PASADENA AMENDING SECTION 8.60.210 (E), OF THE PASADENA MUNICIPAL CODE, RELATING TO THE SERVICE CHANGE FEE FOR SOLID WASTE CONTAINER SERVICE.

TITLE OF PROPOSED ORDINANCE:

AN ORDINANCE OF THE CITY OF PASADENA AMENDING SECTION 8.60.210 (E), OF THE PASADENA MUNICIPAL CODE, RELATING TO THE SERVICE CHANGE FEE FOR SOLID WASTE CONTAINER SERVICE.

PURPOSE OF THE ORDINANCE:

City Council directed preparation of the ordinance at its meeting of June 4, 2012. Presently, the Pasadena Municipal Code requires the City to charge a service change fee when customers request a change in the type of service level of their solid waste collection, except during the month of November which is Environmental Awareness Month. Staff has recommended that the Pasadena Municipal Code be amended to remove the waiver for the month of November, and instead, waive the fee once per year for customers who downsize their mixed waste container size or reduce their number of mixed waste containers. Any additional downsize changes within the same 12 month period would incur the change out fee. The fee would remain in effect for customers who request a larger mixed waste container or additional containers. This change would incentivize customers to recycle more while reducing their mixed waste.

REASON WHY LEGISLATION NEEDED:

The Pasadena Municipal Code may only be amended by ordinance.

MEETING OF 06/18/2012
~~06/11/2012~~

AGENDA ITEM NO. 13 23

BACKGROUND:

The City Council directed preparation of this ordinance at its regularly scheduled meeting of June 4, 2012.

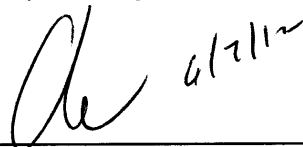

FISCAL IMPACT:

The anticipated impact to revenues as a result of this action will be minimal as any revenue reduction realized as a result of the fee waiver would be offset by lower landfill costs and the possible increase in recycling revenue.
