Good morning Mr. Mayor (and Happy New Year!):

I am sad to say that I need to resign my position with the TAC. In looking at my upcoming work and travel schedule...I will miss the next 5 TAC meetings; beginning this Thursday. And I have no indication that my schedule will be any better later in the year.

I don't feel comfortable staying on the TAC knowing that I cannot actively participate and represent you in the ways that I would like.

I hope you understand and I have truly appreciated the opportunity to serve the City.

Sincerely,

Jess Segovia
