**Subject:** Re: Human Relations Commission

Dear Mr. Tornek,

Please accept this **correspondence** as my resignation from the Human Relations Commission. I have very much enjoyed my time volunteering for the Human Relations Commission since June 2010. I wanted to inform you, however, that I will not be continuing to volunteer this upcoming year (January 2015). Due to other engagements, I will not be able to commit to the hours necessary to volunteer. I am sorry if this causes any inconvenience. I appreciate the opportunity you have provided me. I wish you the best.

Sincerely,

Jonathan Paek
