South Grand-Covington Place Landmark District

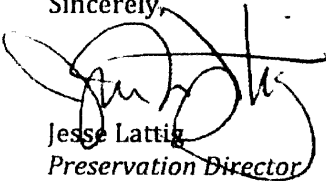

Dear Mayor Bogaard and Council Members,

Pasadena Heritage is pleased to support the South Grand-Covington Place Landmark District as proposed and the recommendations of the Historic Preservation and Design Commissions to approve the zone change.

Within the proposed district boundaries, there are a number of historic styles, which together demonstrate a cohesive whole in terms of neighborhood ambiance and sense of place. This quality is beneficial for all of Pasadena. The neighbors have worked diligently on the proposed Landmark District. The property located at 1201 South Grand is a critical component to the district, and we are especially pleased that the new owners are supportive of the District nomination.

As recommended by Staff, we respectfully urge the City Council to approve South Grand-Covington Landmark District application.

Sincerely,

Jesse Lattig
Preservation Director

Mr. Mark Jomsky
City Clerk
City of Pasadena

Dear Mr. Jomsky,

Kevin Johnson suggested that I contact you. My residence is at 1240 S. Grand, within the area proposed as Grand- Covington Place Landmark District. It is a home designed by Frederick Roehrig the architect responsible for the design of Hotel Green. There are many remarkable and historically important properties in our unique neighborhood that require and deserve preservation. I would like to express my support for the Landmark District designation for our area. I am unable to attend tonight's council meeting so I request that you make my support known to the appropriate parties. Thank you for your assistance.
