Las Encinas Hospital (2900 E. Del Mar Blvd.)

Dear Mayor Bogaard and Honorable Council Members,

Regarding the new psychiatric hospital facility proposed at the historic Las Encinas hospital campus, Pasadena Heritage has attended several Design Commission hearings where the project was reviewed, and we supported the Design Commission's decisions to continue the matter until the design responds to their direction.

We understand that the newest design approach is more responsive to the Commission's guidance and urge the Council to send the matter back to the Design Commission for further review.

Thank you for your consideration of the matter.

Sincerely,

A handwritten signature in black ink, appearing to read 'Jesse Lattig', written over a faint, larger version of the same signature.

Jesse Lattig
Preservation Director
