Dear Pasadena Mayor and City Council,

I just signed a petition addressed to you titled *Save 100 affordable student housing units in Pasadena!*. So far, 13 people have signed the petition.

You can reach me directly by replying to this email. **Or, post a response for MoveOn.org to pass along to all petition signers by clicking here:** http://petitions.moveon.org/target_talkback.html?tt=tt-75675-custom-44034-20240611-FXqpUG

The petition states:

"We the undersigned are deeply concerned that Pasadena may be losing up to a hundred units of affordable housing. 196 units of Fuller Seminary's student housing (half of which are affordable) has been sold to a high-end developer, who plans to tear down these units to create 430 luxury apartments. Carmel Partners, the developer, invited local affordable housing advocates to help shape their proposal. Presently Carmel is considering only 49 units to be affordable of their proposed 430 units. We ask the Pasadena City Council to continue the same land use as Fuller's Master Plan, so that it remains first priority available as "student housing" and that 50% of the units be affordable. I will make every effort to attend the Pasadena City Council meeting on Monday, at 7 pm, June 16th, where this issue will be on the agenda and we will seek to save 100 affordable homes. "

My additional comments are:

I know some of the women who are homeless and waiting for housing.
