

PROGRAMS, DEPARTMENTS OR GROUPS AFFECTED

The Planning and Development Department will implement the moratorium, with support from the Public Works Department.

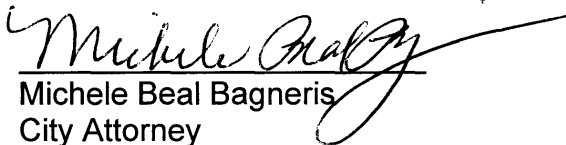

FISCAL IMPACT

There will not be an immediate fiscal impact as a result of this extension of the temporary moratorium.

ENVIRONMENTAL DETERMINATION

Prior to first reading, Council is being asked to find that the second extension of Ordinance No. 7226 is statutorily exempt from California Environmental Quality Act (CEQA). CEQA Guidelines Section 15060 (C)(2) states that projects which will not result in a direct or reasonably foreseeable indirect physical change in the environment are not subject to CEQA. The exemptions from CEQA pursuant to Section 15262 apply to projects that involve only feasibility or planning studies for possible future actions which the City has not approved, adopted, or funded, and does not involve adoption of a plan that will have a legally binding effect on later activities.

ORDINANCE NO. _____

SECOND URGENCY EXTENSION OF INTERIM URGENCY ORDINANCE NO. 7229 OF THE CITY OF PASADENA TEMPORARILY PROHIBITING THE APPROVAL OF NEW RECYCLING FACILITIES, THE EXPANSION OR MODIFICATION OF EXISTING FACILITIES, AND THE RESUMPTION OF DISCONTINUED LEGAL NONCONFORMING STATUS FOR RECYCLING FACILITIES

WHEREAS, the City Council of the City of Pasadena completed second reading of An Interim Urgency Ordinance Prohibiting the Approval of New Recycling Facilities, the Expansion or Modification of Existing Facilities, and the Resumption of Discontinued Legal Nonconforming Status for Recycling Facilities on March 11, 2013 (Ordinance No. 7229, or “the Ordinance”); and

WHEREAS, in April of 2013, by Urgency Ordinance No. 7230, the City Council extended Urgency Ordinance No. 7229 to March 11, 2014; and

WHEREAS, staff has analyzed avenues to address potential secondary effects on surrounding land uses that arise from recycling facilities, and on January 8, 2013, presented its analysis and recommendations to the Planning Commission, at which time the Planning Commission recommended further study; and

WHEREAS, pursuant to Government Code Section 65858(d), on January 27, 2014 (more than 10 days prior to the expiration of the Ordinance), staff presented to the City Council a written report describing the measures taken to alleviate the condition which led to the adoption of the Ordinance, and staff concluded that it requires further

time to complete the additional analysis requested by the Planning Commission and to propose options for solutions to the City Council; and

WHEREAS, on February 10, 2014, the City Council held a properly noticed public hearing regarding a second urgency extension of Ordinance No. 7229; and

WHEREAS, the City Council finds that there is still a current and immediate threat to the public health, safety and welfare because, without a second extension of Ordinance No. 7229, a new recycling facility may operate after receiving approval from the City, an existing recycling facility may be expanded, or a recycling facility currently “grandfathered” from compliance with the Zoning Code may resume operations within a certain time after discontinuing such use without full protection to adjacent uses and neighborhoods from the secondary effects of recycling facilities; and

WHEREAS, pursuant to California Government Code Section 65858, and in order to protect the public health, safety and welfare, the City Council extended Ordinance No. 7229 for 10 months and 15 days to continue to study the matter; and

WHEREAS, pursuant to California Government Code Section 65858, and in order to protect the public health, safety and welfare, the City Council may extend Ordinance No. 7229 for another year to continue to study the matter, but there may be no further extensions of the Ordinance.

NOW THEREFORE, the People of the City of Pasadena ordain as follows:

During that time, the City will continue undertake a review of state law, including but not limited to the California Beverage Container Recycling and Litter Reduction Act, to determine the extent to which the City can further regulate, or even prohibit, recycling facilities. SECTION 3. Ordinance No. 7229, and any extensions thereof, may not be further extended, and may be terminated early if the Council so chooses.

SECTION 4. This ordinance is additional to and supplemental to, and shall not affect, except as specifically provided herein, any provision of the Pasadena Municipal Code, which shall be operative and remain in full force and effect without limitation with respect to all such land uses.
