Bill,

As we get ready to elect a new mayor tomorrow, I've been doing a lot of thinking on his or her ability to have their own choices on commissions. So, with that in mind, please accept my resignation as commissioner at large on the the Human Services Commission effective June 11, 2015. Thank you, not only for giving me this opportunity but all you've done over the years in service to this city. It's been great working with all the wonderful people on the Commission. I'm sure, during the next few months, there will be ample time express these sentiments in persons.

Thanks again,

Tony Santilena
