Dear Council Member Wilson,

With my recent election to the PCC Board of Trustees, I am informed by the City Attorney's office that I am not legally permitted to hold both the office of Trustee and Board Member of the Public Community Access Corporation. Therefore, I am reluctantly submitting my resignation as the District 7 representative to PCAC effective December 9, 2015.

I have greatly enjoyed my service on the PCAC Board, mostly recently as Chair. I have been honored to be part of the transition to the new PCAC studios and look forward to a bright future for PCAC as a community-based, multi-platform creator of video content for the digital future.

With best wishes,
