Subject: Rec & Parks Commission - Letter of Resignation

Dear Charles,

This might be one of those times when "bittersweet" really is an accurate word for the situation. I am writing to resign my position on the Recreation & Parks Commission, effective immediately. I am incredibly excited that I have been offered an opportunity to continue to serve the City of Pasadena as a member of the City's Planning Commission. However, I truly will miss the wonderful Commissioners and City staff members who have served on and worked with this Commission in the years that I have been involved.

You, Stacy, Loren, and all the City staff members who have worked with this Commission are quintessential professionals, always prepared for the meetings, always responsive to the Commissioners, and always willing to interject a little humor into the situation. My fellow Commissioners are ever an example of the asset that the City has in its residents.

It has been my pleasure to serve on this Commission, and I wish everyone the best.

Thank you,
Tricia Keane
