The parties shall alternately strike one name from the list of arbiters (the right to strike the first name to be determined by lot) until one (1) name remains, and that person shall be the arbiter.

The arbiter shall hold a hearing on the issue, or issues submitted. The arbiter shall not hear witnesses without the presence of both parties. The arbiter shall render a written opinion within 30 days following the closing of the hearing unless the period has been mutually extended in writing. The opinion, which shall be bound by the present Memorandum shall be advisory only, shall not be binding on either party, and shall be limited to the issue, or issues, presented to the arbiter. The opinion shall be sent to the Director of Human Resources, with a

copy to the employee.

Within fifteen (15) calendar days following receipt of the advisory opinion, the Director of Human Resources shall advise the employee by letter whether or not he/she intends to take any further action regarding the issue, or issues, referred to in the arbiter's advisory opinion. A copy of the Director of Human Resources' letter will be sent to the employee.

Each of the parties involved shall contribute equally to the cost of facilities, fees and expense of the arbiter, including transcripts required -- which shall be determined in advance of the hearing. Each party shall bear its own witness and attorney.

Article 8. LAYOFF

A. Definition

Layoff is defined as any involuntary separation wherein the City eliminates a job without prejudice to the incumbent. Layoff shall result only from a change in the status of a position.

These Layoff provisions do not apply to employees in grant funded and/or limited term positions.

The layoff provisions covering Confidential Clerical employees shall be the same as that which covers employees represented by LIUNA.

B. Authority

The City Manager shall have the authority to eliminate positions within any department because of curtailment of funds, reduction in force due to technological or operational changes, or elimination or modification of any activity or service.

C. Policy

1. The City will make reasonable effort to accommodate those employees who may be subject to layoff through the process of normal attrition. In the event of the reduction of the work force, existing vacancies shall be used to the maximum extent possible to relocate affected employees, regardless of departmental jurisdiction.
2. Layoff shall be made by specific classification series. Employees with two or less years in their classification series have the right to return to their prior classification series.

3. Within a given class, individuals will be laid off based upon seniority in that classification.
4. The layoff priority of employment categories shall be as follows:
 - a. Temporary or provisional employees.
 - b. Probationary, regular, part-time employees.
 - c. Probationary, regular full-time employees.
 - d. Regular, part-time employees.
 - e. Regular, full-time employees (for purposes of this policy, employees who work 30 hours per week or more are defined as "full-time").
5. Departments which anticipate a possible reduction in staff because of the acquisition of new equipment, change in procedures, or for any other reason, shall notify the Human Resources Department and the affected employee as soon as possible in order that appropriate procedures may be initiated.
6. Employees for whom layoff appears eminent shall be placed upon a Retention List for that class. All vacancies within that class shall be filled from the Retention List prior to using the regular eligible or rehire lists. The conditions applying to this list shall be as follows:
 - a. Based upon seniority in their present class, employees will have the right to transfer to any vacant position in the same class within their department.
 - b. If qualified, employees shall have a right to a demotion to another classification in their own department if a vacancy exists.
 - c. If any employees cannot be placed under the provisions of Paragraphs a and b above, such employees may be considered by other departments as follows:
 - i. The employee is physically able to perform the required duties.
 - ii. The position is not one of greater supervisory responsibility and is compensated at a rate equal to or less than the employee's present rate.

- iii. The employee meets the minimum qualifications and physical standards of the position.

Departments, other than the one in which the particular layoff occurred, are not obligated to accept the laid- off employee.

7. Employees transferred to a new position in the same class shall receive the same salary step and retain the same anniversary date as in their previous position.
8. Employees who, in order to avoid being laid off, accept voluntary demotion shall be compensated in the established salary range of the class into which they transfer at the step nearest to, but not greater than, that received in their former classification. The employee's rate of pay shall be changed at the time that the reassignment is made or new duties and responsibilities are assumed and the employee shall retain the previous employment date for purposes of step advancement.
9. Employees who accept voluntary demotion shall be eligible at any time for reappointment to their previous classification on the basis of seniority when openings occur in the department where the layoff occurred, provided that they are able to perform the duties of the job. Rejection of a reappointment offer shall terminate eligibility for future consideration.
10. Employees who are subject to impending layoff may not be transferred to a vacant position with a higher salary range except through participation in the normal examination and selection procedures, as established by the Human Resources Department, or under the terms of Administrative Reassignment, Section IV.E. below.
11. Employees who cannot be placed, and must be laid off, shall have their names placed on a Reemployment List and shall be eligible as follows:
 - a. To compete in promotional examinations for which they are qualified for a period of 12 months.
 - b. To hold reemployment rights for a period of 12 months and be eligible for any vacancies which may occur during this period in the classifications held by the employee in the department where the layoff occurred, provided that the employee is able to perform the duties of the job.
12. Employees who are laid off will be given the following considerations with regard to their accumulated benefits:

- a. Employees will not continue to accumulate any longevity-based benefit during the period that they are laid off, but will retain any benefits accumulated to the date of layoff. Employee retirement benefits cease at the time of, and will not be paid during a layoff period.
 - b. The employee may remain in a layoff status for a maximum of 12 months. If the employee is recalled during this time, a reinstatement will be made and all rights and benefits will be restored as a regular employee from the date of first appointment within the period of the most recent continuous service, with an appropriate adjustment for the time that was not actually worked on the job.
 - c. The laid-off employee will have the option of receiving payment for any accumulated vacation and/or sick leave from the 1970 sick bank, within the provisions of the respective policies, at any time during the layoff period. Such payments will be made in one sum.
 - d. Employees who claim payment for accumulated vacation and/or payment from the 1970 sick bank and are subsequently recalled, will begin re-accumulating the claimed benefit(s) on the date that they report back to work.
 - e. Laid-off employees who are not recalled within the 12-month period will be completely separated from the City service and will automatically receive payment for any accumulated vacation or sick bank credit which has not been previously claimed.
13. Employees laid off and given an opportunity to return to a job for which they are qualified shall be allowed a maximum of 14 calendar days after such notification to make themselves available. If an employee refuses such an opportunity to reemployment, the employee will be removed from the Reemployment List.
 14. Provisional or temporary employees may be separated by the appointing authority without regard to seniority status, and shall have no reemployment rights, but may be returned to their former place on the eligible list.
 15. Employees who: (a) may be transferred, (b) accept a voluntary demotion, (c) are reemployed by the City, shall meet the job requirements of the class into which they are placed.

16. Questions on seniority status, which affect retention and are influenced by previous reclassification actions, shall be adjudicated by the Director of Human Resources.
17. The terms and conditions of this layoff policy will not be used as a substitute for disciplinary action against any employee.

D. Procedure

1. Notice: Each affected employee shall receive written notice from the appointing authority, specifying the exact date when layoff is to be effective; and at least two weeks' notice shall be given.

The commencing date of the reemployment rights of the employee shall start from the effective date of layoff.

2. Reemployment List: The Human Resources Department will automatically establish a Reemployment List for a period of 12 months.
 - a. All departments where classifications exist which are on the Reemployment List will be notified of the employee's availability.
 - b. Individuals on the Reemployment List will be appointed to vacancies for which they qualify in the department from which they were laid off, so long as any person in that class is on such a list, before any other names on any other eligible lists--promotional or open competitive--are used.

Article 9. ADMINISTRATIVE REASSIGNMENT

- A. After exhausting the layoff provisions set forth above, if a regular status employee is subject to involuntary layoff or displacement, the City Manager, in consultation with the Director of Human Resources, may reassign the impacted employee to a vacant position in a classification other than his/her own, based on the employee's knowledge, skills, abilities and work performance. Such reassignment shall be temporary and shall not exceed one year.
- B. In all cases of administrative reassignment, whether to a lower, higher, or equivalent level classification, employees must take a qualifying examination to be eligible for regular status in the classification. This examination may be non-competitive, and shall occur no less than three months and no more than one year from the beginning of the administrative reassignment. When the employee is satisfactorily performing the full duties and responsibilities of the reassigned position and has qualified for the classification based on examination, he/she may be formally appointed to the position.

- C. Employees who are administratively reassigned will serve the normal probationary period for the classification in which they are placed, beginning with the date the administrative reassignment becomes effective. If formal appointment is not achieved within one year from the date of reassignment, the employee may be laid off or separated from City employment. Such employee may exercise all options and rights applicable to the classification from which previously laid off or displaced.

- D. If the reassignment is to a classification with an equivalent or higher maximum salary, the employee will retain his/her present classification, salary and benefits until he/she has qualified based upon examination. If the reassignment is to a classification with a lower maximum salary, the employee will assume the new classification title and corresponding benefits. The employee's salary shall not exceed the maximum allowable in the classification to which reassigned. At the time an employee is formally appointed to a higher classification through the examination process, his/her salary and benefits may be adjusted as appropriate to the new classification.
