Dear Ms. Stewart:

This is to inform you that effective Monday, October 12, 2015 I will be resigning from my position as Commissioner of the Accessibility and Disability Committee. Unfortunately, due to commitments related to my education, I am unable to fulfill the duties of Commissioner. It has been a tremendous pleasure to work and collaborate with all my colleagues on the committee and with the other various disability groups.

I would like to especially recognize Mayor Bogaard and Mayor Terry Tornek for their encouragement and support. Although I am stepping down after 11 years of volunteer service, this is not good-bye. I welcome the opportunity to again be invited to participate with all of you in the near future, but as of now my education must take priority. Therefore, I thank you and I wish all of you the best.

Sincerely yours,

Elona Jackson-Hinton
