OLD BUSINESS

LOS ANGELES 2024 EXPLORATORY COMMITTEE (LA24)

Recommendation of Rose Bowl Operating Company: It is recommended that the City Council of the City of Pasadena:

(1) Find that the actions proposed in the agenda report are exempt from environmental review pursuant to State CEQA Guidelines Section 15272 (Olympic games);

(2) Approve the hosting of up to seven (7) Olympic soccer matches, which in conjunction with the 14 to 15 non-Olympic displacement events anticipated in 2024, exceeds the number of displacement events allowed at the stadium without City Council approval, and make the findings required pursuant to Pasadena Municipal Code Section 3.32.070 to authorize these additional displacement events at the Rose Bowl Stadium during calendar year 2024.

It is further recommended that the City Council:

(3) Acknowledge that, subject to approval of the items above by the City Council, the Rose Bowl Operating Company (RBOC) has authorized the RBOC General Manager to submit a written commitment to LA 24 ("Guarantee Letter") that the Rose Bowl would host up to seven (7) Olympic soccer matches in the event that Los Angeles is selected as the host city for the 2024 Olympic Games, on the conditions that neither Pasadena nor the RBOC will have any financial exposure or increased liability as a result of the Games, and a stipulation that LA24 (or related successor organization) must make an investment in a capital improvement in the Rose Bowl Stadium;

(4) Authorize the Mayor to submit a letter to the International Olympic Committee in order to express its commitment to work with the City of Los Angeles in an effort to bring the Olympics to Southern California in 2024 ("Mayor's Letter"); and

(5) Authorize the City and RBOC to work together in an effort to come to an agreement with LA24 on a Venue Use Agreement and a Venue City Agreement that would be contingent on Los Angeles being awarded the 2024 Olympic Games, subject to final approval by the RBOC and City Council.

Darryl Dunn, General Manager of the Rose Bowl Stadium, summarized the agenda report as part of the PowerPoint presentation, and responded to questions.

The Mayor expressed concerns with the language contained in Recommendation No. 2, which may be interpreted as the City approving 22 displacement events by approving the recommendation as written.

Theresa Fuentes, Assistant City Attorney, clarified that staff Recommendation No. 2 was requesting City Council approval for 7 Olympic soccer events (Displacement Events) at the Rose Bowl Stadium during calendar year 2024, beyond the 10-11 contractually required displacement events for that year.

Following discussion, it was moved by Councilmember Gordo, seconded by Councilmember McAustin, to approve the staff recommendation, with the following amended language replacing Recommendation No. 2: "(2) Approve the hosting of up to 7 (seven) Olympic soccer matches, which, in conjunction with the 10-11 contractually required displacement events, exceeds the number of displacement events allowed at the Rose Bowl Stadium without City Council approval, and make the findings required pursuant to Pasadena Municipal Code Section 3.32.070 to authorize these additional displacement events at the Rose Bowl Stadium during calendar year 2024."
