Subject: **Resignation from Rose Bowl Operating Company**

Dear Mayor Tornek,

Please accept my resignation from the Board of Directors of the Rose Bowl Operating Company. It was both an honor and a privilege to serve and to represent Council Member John Kennedy and the people of his great District on that Board.

I trust that the future will bring all of us many opportunities to work together toward the common good of our City of Pasadena.

Respectfully,

Nicholas George Rodriguez
Pasadena, CA
