Subject: HPC resignation

Jana: As we discussed, I hereby tender my resignation from the Historical Preservation Commission, which I would like to be effective May 1, 2017. I have very much enjoyed my service on this commission, but I have had a number of conflicts with the Tuesday night meeting time in 2017 due to children's growingly difficult schedules, and it appears that it will remain difficult going forward. Accordingly, it is best for the Commission to have a new member in my stead. I hope the Council will approve the resignation at this time. Thank you, Keri Axel
