## **PUBLIC HEARING**

**Recommendation:** It is recommended that the City Council:

- (1) Open the public hearing for the Fiscal Year 2019 Recommended Operating Budget; and
- (2) Receive public comment and continue the public hearing to each subsequent regular meeting of the City Council at 7:00 p.m. until June 18, 2018 or such other date as the City Council may determine, and at which time the City Council will be asked to close the public hearing and adopt the Fiscal Year 2019 Recommended Operating Budget.

The City Clerk opened the public hearing; reported that the public hearing notice was published in the Pasadena Star News on May 7, 2018; and no correspondence was received by the City Clerk's office regarding this item.

The Mayor provided a brief overview on the earlier discussion that took place at the Special Joint Finance Committee and City Council meeting.

Fire Chief Bertral Washington responded to questions related to the Fire Department's Fiscal Year 2019 Operating Budget.

Councilmember Gordo asked staff to provide additional information and more detail related to the budget line item for "Other Contract Services" and "Consultant Services," under the Fire Department's Services & Supplies budget section. Mr. Gordo requested that the Fire Department's Strategic Plan be presented at a future City Council meeting, and urged Fire Department staff to utilize the City's Print Shop services.

Councilmember Wilson expressed strong concerns on the Department's budget recommendation that would eliminate a Battalion Chief position (Training) within the Fire Department staff; and requested reimbursement information received from the State Office of Emergency Services, when the City sends out Strike Teams for training.

Councilmember Madison also expressed strong concerns with vacancies within the Department, as well as the proposed elimination of a Fire Battalion Chief position.

Mr. Madison requested that staff provide detailed information on the fund transfers from the "Fire and Environmental Safety" division to the "Fire Administration" division.

In response to Vice Mayor Kennedy's concerns related to the budgeted amounts for the Fire Administration Division, City Manager Mermell stated that he would provide detailed information regarding the proposed appropriations, including reasons for the budget levels increasing since Fiscal Year 2017.

Vice Mayor Kennedy advocated for the continued training and education of Fire Department personnel (at all levels), including attending the National Fire Academy; and echoed the request for additional information on the transfer of funds, as well as his concerns in eliminating a Fire Battalion Chief position.

Horace Wormely, Director of Human Services and Recreation (HS&R), presented a PowerPoint presentation on the proposed Fiscal Year 2019 HS&R Operating Budget, and responded to questions. Enrique Arroyo, Management Analyst, and Raphael Guillen, Deputy Director of Human Services and Recreation, responded to questions related to the Department's budget and special events. Kenny James, Senior Community Relations Representative, responded to questions regarding the City's contracts for tennis courts.

Vice Mayor Kennedy advocated for the Department to continue to prioritize the Summer ROSE Program, as well as to increase the program's capacity to allow for the maximum number of participants. He also requested additional information and data on the Summer ROSE Program budget, including the number of youths participating in Fiscal Years 2018 and 2019.

Councilmember Gordo expressed concerns with the cost recovery efforts of the City that may negatively affect the services provided to families who are in most need of alternative activities. He asked staff to review cost recovery models, with a focus on affordability (potentially allowing for a sliding scale for community members based on income and ability to pay). Councilmember Gordo requested that staff research the feasibility of investing in the maintenance of some of the Pasadena Unified School District (PUSD) pools in exchange for use of the pools, rather than contracting with other agencies or constructing new pools. He expressed concerns with the upkeep of the City's Recreation Centers, citing deteriorating infrastructure and the need to develop a long-term maintenance investment plan for the Centers.

In response to Councilmember McAustin's concern related to potential PUSD school and facility closures that may affect the City's afterschool program, City Manager Mermell stated that a meeting is scheduled with PUSD Superintendent, Dr. Brian McDonald, to discuss these and other issues, and that he plans to provide an update to the City Council at a future meeting.

Councilmember Wilson requested that estimated budget actuals for the current year be included in the proposed Operating Budget information provided to the City Council; and asked the City Manager to review the management agreement for the City's tennis courts to ensure the City is receiving the maximum fiscal benefit possible.

Councilmember Hampton suggested that staff explore a shared use of computer rooms between the City and PUSD for the City's after school program. He also asked staff to investigate issues involving Pasadena residents who live within the City's boundaries but have Altadena addresses, and who are being denied residential rates for City programs and services. He requested that staff consider possible alternatives that would allow those residents to receive residential rates when participating in the City's Human Services and Recreation programs. Lastly, Councilmember Hampton requested that staff review safety measures (specifically, slip and falls) at the City's water pad area at La Pintoresca Park.

Councilmember McAustin suggested that the Human Services and Recreation Department's utilize the Cost of Service and Cost Recovery study already completed, than engaging in another similar process.

This item briefly recessed and continued on page 10.

Vice Mayor Kennedy left the dais at 9:47 p.m.

Councilmember Hampton left at 10:01 p.m.

Following a brief discussion, it was moved by Councilmember Gordo, seconded by Councilmember McAustin to continue the public hearing to July 16, 2018, at 7:00 p.m. (Motion unanimously carried) (Absent: Councilmember Hampton, Vice Mayor Kennedy)
