RE: Landmark Designation for 910 Laguna Road (Puelicher House)

Dear Members of the Historic Preservation Commission and Ms. Landry:

Pasadena Heritage appreciates the opportunity to submit this letter in support of the Landmark designation for the Puelicher House located at 901 Laguna Road and built in 1960. We agree with the Historic Preservation Commission's recommendation that the property be designated, as it satisfies local Landmark Criterion "C" as an excellent example of an International Style single-family residence designed by master architect Boyd Georgi. We also agree that the property retains sufficient integrity to convey its architectural associations.

We therefore hope that you will approve and execute a Declaration of Landmark Designation for the property.

Sincerely yours,

Susan N. Mossman
